Strong Reader Tools

*When I look at the cover of my book,
my brain searches for information about...*

1. What I know for sure...
2. What it reminds me of...
3. What I wonder...
4. What I can now predict the book is going to be about...

As I'm reading my book...

5. I can stop reading when my brain says,
"Hey! That didn't make sense when"...
6. I can search my brain for information that isn't in the
book, this will help me to
understand the book better...
7. I can say what the most important
pieces of information are...
8. I can make pictures in my brain or
see a movie of the book in my brain...

After I've finished reading my book...

9. I can now say how my thinking has changed from my
prediction and I can retell the book...
