

The BC Sports Hall of Fame offers a scholarship for one male and one female graduating BC student athlete for \$1500 each, the goal of the scholarship is to help athletes stay in BC post secondary schools. The deadline for nominations is **April 15, 2011**. We would greatly appreciate it if the BC Games could circulate the information as you see fit. In the past we know there have been some great candidates that might not have been aware of the opportunity.
