

LEARNING INITIATIVES

Tech Café 2011-2012

What: Welcome to our Tech Café! Each session will be a practical 'how to' presentation and demonstration from district teachers on a specific technology topic.

Participants are invited to join us as we meet throughout the year to see demonstrations and get hands-on experience with technology tools. This will also be an opportunity to network with others through lively discussions and sharing of technology experiences in our classrooms.

Who: GVSD teachers interested in how technology supports learning.

When: Six sessions as below – all are 3:30 – 5:00 pm.

| November 22 | December 13 | February 7 | March 6 | April 24 | May 22 |
|---|--|---|----------------------------|----------------------------|---|
