## Strategic Plan Community Surveys

Dear Saanich Resident and Saanich Business Owner/Operators:

Saanich Police are requesting your input in helping us to identify policing priorities for the next five years. We are an independent municipal police department which has served our community for over 100 years. We continue to achieve one of the lowest crime rates in the country while providing this service at a cost per citizen lower than most other police organizations. The Mission of the Saanich Police is to “provide quality police service by working with our partners to ensure the safety and security of our community” and we pride ourselves on a “No Call Too Small” service delivery model. The Saanich Police and Police Board value your thoughts, opinions, and suggestions which will assist us in the development of the 2011-2015 Saanich Police Strategic Plan.

To encourage participation in the survey process, we’ll be having a draw to give away ten (10) iPod Nano portable media players, and all participants who complete the survey will be eligible to win. The survey should be completed by a Saanich resident 18 years or older by June 4, 2010.

You can complete the surveys by clicking on either the “Residential Survey” link or the “Business Survey” link in the left hand column. If you prefer to complete a paper copy of the survey, this can be arranged by calling 250-475-4365.

Thank you.

Mayor Frank Leonard

Chair Saanich Police Board

M. R. Chadwick
