

## Part Two Safer School Travel

### Burnside Road parking.

Please park with right wheels in the gravel, freeing the sidewalk for the children walking and riding.

Park vans only, preventing children from opening car doors in front of other children riding.

Do not park by Spectrum fire hydrant (our fence end). Cars coming out of Spectrum's drop-off cannot see cars and/or pedestrians.

Do not park in front of Spectrum School. There is not enough room to leave the sidewalk free for the children.

Drive at 30 km. Smile and Sing-a-Song with your child(ren) with the extra minute it takes.

Do not use the Spectrum drop-off zone. Help us build good will with our neighbouring school.

Please follow these rules and we will have a safer school for all our children.

What else can you do?

Walk, bike, scooter ~ Park at the Scout House and walk (Marigold and Jasmine). Leave and arrive earlier. Don't forget to breathe! Kindly remind others who may not be aware of the rules.

Remember, work, daycare, appointments will still be there if you are one minute behind. The extra minute for the smile on your child's face? Really look around and see the drop-off zone in a whole new light!

As a courtesy to our kindergarten children, please leave the parking stalls for them. Remember what it was like?

Together we can make the Drop-Off Zone a better place! Thank you.

Thank you.

Hollis Hodson,  
Marigold Safer School Travel.
