

Web Site Note: Principal's Message

École Marigold is a dual track school of about 270 English and French Immersion students. Our school is a vibrant school ... a school where committed staff, students and parents work together to promote learning and achievement. As well as achievement in literacy and numeracy, students develop skills in problem solving, critical thinking, creativity, communication and teamwork. By providing opportunities for student connection, students extend skills in social responsibility at personal, school, community and global levels.

At Marigold School, students also have the chance to participate in a wide range of athletic and fine arts programs. The Cross Country Running Team, Swim Club and Track and Field are just a few examples. Through the Strings Program, a Marigold Choir of over 100 students, a Ukulele Program and classroom music from Kindergarten to Grade 5, children literally fine tune their voices and instruments. Hearing children gently sing or hum as they leave the school at the end of the day isn't uncommon!

Community spirit is also at the heart of Marigold School. We benefit from the involvement of an active parent group. The Fall BBQ and Spring Fair welcome families for evenings of fun and socializing. Monthly Family Nights provide the chance to meet the friends of your children. Through the efforts of PAC, we have been able to extend technology, revitalize our library and support field trips.

At our school, we believe each child can and will experience success in a positive and caring school environment. Welcome to École Marigold Elementary School!

Ms. Lois Bender

Principal/Directrice
