

MONTEREY ATHLETIC LEGACY PROJECT

Dear Parents of our Monterey Athletes,

Our Athletic Legacy Tree is here!

Thank you to all who bought a leaf last year. Your money was well spent providing support to all areas of our Athletics departments to keep our Athletic program one of the best in the city. We had another outstanding year with many city and island championships and even a second place provincial standing. We have participated in cross country, basketball, swimming, volleyball, rugby, field hockey, golf, track and field and mountain biking. Many parent and community volunteers have worked alongside our own staff to coach and guide all our athletes. Along with the extra-curricular participation, we also have worked to increase our PE equipment with more equipment for softball and football, as well as adding to our basic daily equipment. We also have had 28 students apply for and participated in our athletic leadership class. A great deal of money is required to have a vibrant and exciting athletic program. Here are a few examples of some of the costs we must face:

- ❖ New jerseys are \$40 each
- ❖ New equipment can run from \$ 1.50 for one bean bag to over \$800 for a class set of badminton equipment
- ❖ Referees for a basketball game are between \$15 and \$25 per ref per game depending on the level.
- ❖ Entry fees into tournaments can run up to \$200

Our tree looks amazing and adds to the entrance way of our school. We have sold many leaves but we do have quite a few left that you may purchase. The tree has an array of leaves, which families can have engraved by donating to our athletics program. Families may choose to have each child's name, family name, and/or business name on each leaf (one name per leaf). We are looking for a minimum donation of \$50 per leaf (this includes the cost of engraving). This is an excellent opportunity for your family to leave a permanent record at the school, something you can revisit for years to come!

Please take the time to think about being part of our Monterey Legacy Tree and if you feel that you would like to contribute please complete the attached form and return it along with a cheque (made out to Monterey Middle School).

I would like to thank everyone once again for their enthusiasm and commitment to our programs and am looking forward to seeing our tree continue to take shape in the fall of 2011. If you have any questions please feel free to contact me at kaevans@sd61.bc.ca

Thanks, Karen Evans,
Athletic Director
