## Chair Report

When we return from spring break the PAC will be offering another **Parent Education Evening**. The topic this time is Sexual Health. See details below.

We would also like to draw your attention to the PAC website [www.montereypac.org](http://www.montereypac.org). There is an article taken from the March 2010, "**Teacher Newsmagazine**" dealing with "**Online Reputation Management**" that is worth reading.

Written by a lawyer who will publish a book regarding this topic, this article pertains to looking at the information that we as adults and students alike are posting on the internet.

### Facebook Tip:

Along those same lines, we'd like to remind people that if you are going on a holiday this spring break, check to see if your child has posted this on his/her Facebook page. It's not a good idea to publicize the fact you won't be home.

We wish everyone a wonderful Spring Break!

## Boot Camp Fundraiser for Emergency Preparedness

We'd like to thank Sharon Kinahan and the Emergency Preparedness Committee for putting on the PAC's first ever Boot Camp Fundraiser. Continuing where Nicola Attree left off, Sharon and her committee has continued to fundraise for the container that will house all the emergency equipment. To date they have raised \$5033. All monies raised from the boot camp go towards purchasing the container. Everyone that participated in the boot camp felt good about their progress. We are planning another boot camp for the Spring! Plan to sign up with a friend as we have room for more to participate!

Parent Education Evening  
Island Sexual Health Society Presentation  
**Tuesday March 23 7:00-8:30**  
Monterey School in the Multi-Purpose Room

Jennifer Gibson has presented a Sexual Health course to all Monterey students in the past few months and now comes to the parents with an overview of what is taught in her presentations. She will also give us an idea of what kind of questions and concerns our kids have. A great night to learn about how to talk to your kids about sex.
