## **Ensuring Success for all Students A Place for all Learners**

We are pleased to be hosting our **Open House Information evening on Thursday, January 12, 2012** for all interested students (any grade level) and their parents/guardians. The evening begins at 7:00 pm in the gym. This is always a wonderful opportunity to speak about the successes and strengths of our school and to hear from the perspectives of students. Student work will also be on display.

Reynolds is an outstanding school with a reputation for strong academic programming; extensive athletic opportunities; a comprehensive Fine Arts program; and significant opportunities for leadership, service and environmental education. We offer an extensive program of courses and a wide variety of electives and extracurricular opportunities with outstanding teachers that are dedicated to student success and achievement. Reynolds is a safe and caring community that is diverse, inclusive, challenging and welcoming; our school provides education and learning that offers flexibility, choice, support and relevancy.

Happy New Year!

We are off to a successful and busy start after a wonderful winter break. We are close to the end of the semester and planning for next semester, as well as next year. It is also a time to think about course selection and planning for the 2012/2013 school year. Administrators and counsellors will be working with students in their classrooms and with individual appointments to complete course selection during the month of February. We will be kicking off course planning with a course information fair on Monday, February 6 during the school day. We then head out to do course selection and planning with our middle school students.

Please also note the revised exam schedule on the web site and included in this newsletter. Please review the exam schedule with your son/daughter and let us know if you have any questions or concerns. The TLC Learning Centre is available for students to make up missed work and prepare for exams and the library is always available as a quiet place to study.

Second semester schedules are being reviewed and counsellors are available in Student Services if students have requests for any changes or adjustments.

The accomplishments and the participation of our students included in this newsletter are outstanding; thank you to the staff and parents supporting so many outstanding initiatives.

Sincere thanks,

Alana Charlton, Principal

## Reynolds Grade 9 Houses

The Grade 9 House system implemented this year has been a success with a strong student buy in thanks to the enthusiasm and support of our Grade 9 teachers. \$35,000 raised by the grade 9 class alone for Cops For Cancer is a great indication that the 9's are connected to Reynolds.

For the new year we have received funds from PAC for House T-shirts for every grade 9 student (and leader) which will be distributed at the start of the semester.

House totals to date are:

Sea Lion = 4500  
Eagle = 4450  
Bear= 4111  
Orca= 3755  
Raven=2355  
Coyote= 1160

## Slam Poetry @ Reynolds

*L-R: Savannah-Rain,  
Mr. Cunningham, Kanika, Jenn,  
Holly, and Zoe*

With the new year comes renewed energy and excitement about the upcoming Slam Poetry season. A Poetry Slam is a competition where teams of poets perform original spoken word pieces for an audience and judges and are scored on the poems out of a possible score of 10. The team with the highest combined score is declared the winner. However, the credo of Poetry Slams are that the points are not the point, the point is the poetry. Last year, the Reynolds team pictured on the left won the inaugural BC High School Poetry Slam Championships (dubbed Hullabaloo). At Reynolds, we have monthly Open Mics with our next one occurring on February 1st at lunch in the Theatre. We also run lunch-hour workshops where students who want to learn about or improve their spoken word poetry get together and work with each other. Reynolds will be choosing this year's team at our Selection Slam, to be held on March 6th and 7th at lunch in the Theatre. This event is open to anyone who would like to come and read their original work and, as always, we will have an amazing audience! Reynolds will also be competing in the Victoria City High School Slam Championships on April 2nd and 4th and at Hullabaloo from April 10-14. You can see Reynolds poets at our [www.youtube.com/reynoldsslampoetry](http://www.youtube.com/reynoldsslampoetry) Any students interested in learning more should speak to Mr. Cunningham or come out to any of the workshops or Open Mics!

## COURSE SELECTION 2011

### VISIT THE COURSE FAIR

**FEBRUARY 6, 2010**

**1:00-3:00 PM REYNOLDS GYM**

The kick off for course selection for next year will be **Monday, February 6, 2011**.

A course fair featuring all the courses and programs offered for the school year 2012-2013 will be held in the gymnasium for students (grades 9-11) in the afternoon. We encourage all students to attend so that they are well informed as they begin the course selection process over the coming weeks. A counselor or administrator will visit classes to guide students through the process.

After student's receive course selection information, please review your student's course form. It is very important that their course selection be guided by post graduation requirements, secondary goals, and career goals. Course offerings for the fall of 2012 are determined by the requests made by the students.

### *Course Selection Schedule:*

*Grade 10 February 6 -10*

*Grade 11 February 13 – 16*

*Grade 9 February 20 – 24*

*All forms are to be returned before  
school dismisses for Spring Break  
on March 9, 2011*

*January 11, 2012*

## Fabric Needed For Textiles

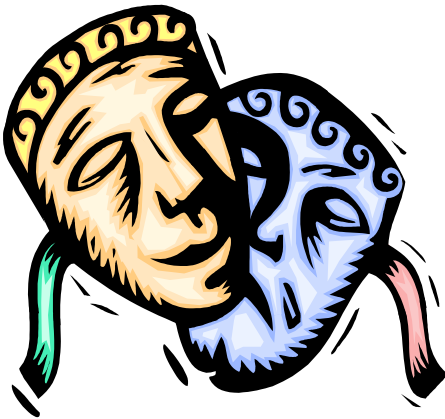

The Home Economics Department is looking for fabric and other items that could be used in Textiles and Textiles Arts and Crafts. We can use most types of fabric, in particular, pieces that are .5 metres or larger. For Textiles Arts & Crafts items such as zippers, thread, ribbon, beads, fibrefill etc would be welcome. If you have any questions please contact Heather McGregor at 250-479-1696.

Thank you to those who have donated to us in the past. Many great projects have been created from your donations.

## Musical Theatre

This year's musical is Bye Bye Birdie and it will run from February 27 to March 3. It's the story of a struggling music producer and his frustrated assistant as they try to stave off financial ruin by staging a huge media event culminating in a very special kiss. The show is the work of over 70 students involved in the cast, pit band and crew. Tickets are \$10 for adults and \$9 for students and will be available in the office starting January 30.

## Reynolds Musical Theatre Pub Night/ Silent Auction

Parents are invited to this fun social event to help raise money for the Reynolds Musical Theatre Program.

## Healthy Eating During Cold and Flu Season

As the weather becomes colder and we stay indoors more, people often catch colds or other viruses. While there is no way to cure the common cold or the flu, following are some immune-boosting foods that may ward off those nasty viruses!

Yogurt contains probiotics, beneficial bacterial with immune-boosting benefits. Look for the "live active culture" seal, which indicates that probiotics have been added.

Check milk product labels for vitamin D. Early research suggests low levels of vitamin D may be linked to a increase in colds and flu.

Vitamin C, found in citrus fruits and juices, may also help the body's immune system.

Zinc, found in meat, chicken, peanuts and peanut butter, plays an important role in the proper functioning of the immune system in the body

If you do catch a cold or flu virus chicken soup and warm beverages increase the flow of nasal secretions, helping relieve cold symptoms. Of course, the taste and wonderful smell of chicken soup may be an important part of the positive effects!

## Inclement Weather

In the event of inclement weather please listen to local radio stations for information on potential school closures or check the school district website at [www.sd61.bc.ca](http://www.sd61.bc.ca). The decision on school closure is made by the Superintendent of Schools by 6:30 a.m.

## **Reynolds L.U.N.C.H. (Locally United for Nutrition & Courtyard Harvest) Program**

This October marked the beginning of our salad bar program at Reynolds. Six students have come together to prepare local organic produce supplied by Madrona and Healing farms (and our very own courtyard later in the year). The salad bar runs for 3, 8 week sessions on Thursdays. Each week there are two “recipe” salads prepared such as Kale and pear slaw with lime dressing, all prepared with local, seasonal organic produce. Along with these salads are several other items plus fresh made dressing for build your own creations....and.... each set of 8 weeks has a feature item:

- Session 1—home-made soup from Melanie MacIsaac and crew
- Session 2—home-made baked potato wedges
- Session 3—fruit crumble variation

The salad bar has been a huge success so far. If you would like more information about pre-ordering OR if you might be interested in being a student coordinator as an Independent Directed Studies next year, contact Heather Coey [hdcoey@gmail.com](mailto:hdcoey@gmail.com)

## **Free Auto Repair Work**

Bring your car in for free mechanical work by our experienced and well supervised senior students. We will do a complete check-up of all of your vehicle’s systems; including the engine, transmission, brakes and exhaust. We get parts for about half of what you would pay, so you cannot afford not to try our free labour service. We do tune-ups, oil changes, brake jobs and other mechanical repairs and preventive maintenance jobs. We will let you know what you need to have done and how much it should cost.

## **Tax Credits for Clunkers!**

With the new graduated drivers licence program, fewer and fewer students have their own cars to work on in the Mechanics class. That means we need donated “shop” cars for the students to work on. We fix them up and sell them to recover our costs and maybe make a few extra \$ for the shop’s expenses. The donation of your old car/truck will help train tomorrow’s mechanics and is greatly appreciated.

Contact Mr. John Reid at [jreid@sd61.bc.ca](mailto:jreid@sd61.bc.ca) to inquire about how we can help each other.

## A Passage to India

Riding an Elephant, touring the Lotus Temple, strolling the grounds of the Taj Mahal – these are but a few of the memories that Reynolds students will take from their adventure in India. This past December marked the return trip in an India/Canada exchange that began in May 2011 with 12 students from K.R. Mangalam, a school in New Delhi, visiting Canada and being hosted by students at Reynolds.

Participating in the exchange and making their way to India to complete the circle of exchange were 12 students along with administrator Meva Sundher and teachers Sanjai Sundher, and Dean Norris-Jones.

The time in India was rewarding on so many levels as the Reynolds students were not only overwhelmed by Indian hospitality, they were also profoundly affected by an exotic cultural experience and the deep relationships that have been made.

At Reynolds, students take the notion of living in a global community seriously. The connection between the two schools looks like it is poised to foster powerful future relationships.

## Pink Shirt Day Wed. Feb. 29, 2012

The 3<sup>rd</sup> annual Pink Shirt Day (Anti-bullying) at Reynolds was a huge success last year despite it being a ‘snow day’. This year the Reynolds Pink Shirt Day Committee, co-chaired by Julie Hosokawa, will continue to invite members of local Police Departments, other Emergency Services personnel, School Board officials, Government officials and the students and staff at Reynolds to sign Pledge Sheets as an avenue for participants to show their support for Pink Shirt Day and the powerful messages associated with it. Many students and staff commented on the importance of seeing nearly 200 Pledge Sheets signed by so many members of our community, which showed their role modeling and collective stand taken against bullying. We invite Parents/Guardians and other members of the Reynolds community to sign a Pledge Sheet, available in our school foyer from Feb. 13<sup>th</sup> until Feb. 29<sup>th</sup>.

Ms Benson –Counsellor/Pink Shirt Day Coordinator.

<http://www.bcreengames.ca/>

Recycling, courtyard gardens, reclaiming the Gary Oak area at the school front, solar panels on the roof, local organic salad bar... could there be more? You bet! Reynolds' Get REAL Green Group is now embarking on a Chicken Fostering Program. Beginning this month we will be incubating heritage eggs supplied by Darren and Claudia Copley and raising them to the point where we can foster the chickens out to Reynolds Families. Along with the chickens, our part of the two way partnership will include supplying portable chicken coops being built with the help of a local Scout Troupe. Families agree to look after the chickens and get fresh eggs and compost in the bargain. Any eggs or compost not used by the families will go back to the school to be used there.

Reynolds Secondary Leadership, **Open 4 Change** Program has had the great fortune to be able to offer an educational trip taking students to Ecuador and the Galapagos Islands. Over the past several years we have been part of a school district initiative to 'Adopt a Village' in Ecuador through Free the Children Foundation <http://www.freethechildren.com/> and are looking forward to taking a group of students to the actual village we have been supporting with great enthusiasm and excitement!

Through the 14 day trip we will have the opportunity to learn about and appreciate natural biodiversity on our planet, engage with local communities, learn Spanish first hand and appreciate the infrastructure necessary to help people to help themselves. In particular, we will be engaging in a project to build a much needed school in Chimborazo Province with Free the Children Foundation. We will be travelling through EF Educational Tours who believes,

**...the students experiences will be so significant, it will change how they shop, vote, what they study, how they consume, what career they choose and how they'll raise their own children. They will become ambassadors for a better, more humane world."**

One thing is for certain, a trip like this will make a significant impact on both the students who attend, and the students we share the experience with, upon return.

We have a significant amount of fundraising to accomplish. If you happen to have any ideas or know of any local businesses who may wish to sponsor students for such a venture please contact Heather Coey [hdcoey@gmail.com](mailto:hdcoey@gmail.com).

#### ISLAND REGIONALS

We had 17 swimmers competing at the Island Regional meet on October 30<sup>th</sup> at Commonwealth Pool, it was great opportunity for many of the swimmers who had never competed in a swim meet. Swimmers compete in different categories depending on their swim experience. We had competitive swimmers (OPEN), kids who have swum before or play water polo (B), and swimmers with absolutely no experience (C). Everyone swam faster than their time going into the meet! The top 5 move on to the Provincials and we had 14 who made it!!

## SWIMMING PROVINCIALS

The Reynolds Swim team competed at the Provincial Championships in Richmond on November 18th and 19th. There were over 950 swimmers representing 115 schools and our girls team came 9th! We had 12 races of which 11 made finals. We won 3 golds, 1 silver and 1 bronze medal.

Jennifer Mann- Gold and new Provincial Record in 100 breaststroke and 4th in the 200 IM.

Heidi Bradley- Gold in 100 butterfly and bronze in 100 backstroke.

Heidi, Jennifer, Morgan Dew Jones and Saje Dennett- Silver in the girls Medley relay.

Jon McKay- 5th in 200 IM, 6th in 100 fly and 15th in the 100 breast.

Morgan, Saje, Cedar Williams and Clara Mackenzie- 12th in girls freestyle relay.

Emily and Lauren Bradshaw along with Cedar and Clara- 16th in girls medley relay.

PJ Allin, Hannah Kaiser, Abbey Timms and Amanda Galbraith- 19th in girls free relay.

The race of our meet was the 200m. mixed medley relay with Heidi, Jenn and Jon teaming up with Jordan White. Jordan had to swim the freestyle leg and held off the other teams to take the GOLD by one one hundredth of a second!!!

THAT MEANS WE HAVE 3 NEW PICTURES TO ADD TO OUR WALL OF FAME...KEEP AN EYE OUT FOR THE NEW ADDITIONS!

Congratulations to all of our swimmers and I look forward to next year. Thank you to Ms. Knappett for being the teacher sponsor and Mr. Downing for making the trip to Richmond with us, even though he doesn't teach at Reynolds anymore! Another parent, Sherrie Wickware, was a great help as my assistant coach.

## Reynolds Ski and Snowboard Team 2011-2012

Reynolds is being represented again this year by a superb group of individuals Gr. 9-12. They will ski and snowboard 7 times in practices and 4 times in races in the Vancouver Island Championships until Feb. 19th at Mount Washington. Last season, two of our athletes qualified for the Provincial Championships and this year we hope to qualify again. We remain the only school ski and snowboard team south of the well-established and elite programs in the Courtenay/Comox region. This year we will continue to introduce beginner racers to training and racing opportunities and hone the skills of the more experienced skiers/snowboarders. Stay tuned for the results from our races and an overview of our season.

## GRADUATION PROGRAM EXAMINATION SCHOLARSHIPS

The Graduation Program Examination Scholarships reward graduating students for academic excellence in their provincial examinations from grades 10-12.

As a result of the cancellation of optional provincial exams, the Provincial Scholarship Program has been revised. This means students must achieve a final mark of 73% or higher (provincial exam and school mark combined) in one of the Language Arts 12 (Communications 12, English 12, Francais Langue Premiere 12 or English 12 First Nations).

They must also achieve at least an "A" and three "B's" on four of their best **provincial exams** (can include the grade 12 provincial English exam).

The exam rewrite rule has been relaxed this year to allow grade 11 and 12 students the opportunity to rewrite a required exam to improve their scores. You will need to sign-up in the school office if you would like to re-write any of your grade 10 or 11 provincial exams.
