## Welcome Back

Well it sure is great to be back and to see all the children looking so very ready for school. This year we are welcoming 110 Kindergarten children to a full day of school. You will recognize them as they have on brightly coloured shirts when they are outside playing.

Our enrolment is 594 as of today and we are excited to work with each and every one of these students.

We have many new students attending Willows this year and I welcome them and their families to our community. We also have new teachers joining us and I know that they will love working with this parent group and teaching staff.

We also welcome our new Administrative Assistant, Ms Badge Bourcier (Ms B). She is very quickly getting the hang of this big school and is doing a wonderful job. Come into the office and say hi when you are at the school.

A huge thank you goes out to Mr. Ridley and his team for making sure that the school looks clean and shiny. Let's remember to keep it looking great.

There will be a fuller newsletter coming out later this month and when we get our forms back all newsletters will come out through email.
