Dear Mr. Ferris:

The School Planning Council of Spectrum Community School has reviewed the schedule of fees for the Lacrosse Academy Program following consultation with school administration.

Bill 20 states "Boards may offer specialty academies with the approval of the School Planning Council" and "Boards and School Planning Councils must also annually approve fees for specialty academies."

The following is the 2011-2012 fee structure for the Spectrum Lacrosse Academy as approved by our School Planning Council and PAC:

The cost to students for participating in the Lacrosse Academy is \$125.00 per month for a yearly fee of \$1250.00. Consistent with district policy, no student will be excluded due to financial hardship.

We approve this schedule of fees.

Sincerely,

SPC Member
