Motion Carried Unanimously

A3. Business arising from the Minutes - None

A4. Student Achievement

Pat Duncan, Associate Superintendent, introduced and welcomed Barb Hardy, Principal of Ecole Margaret Jenkins Elementary, who was dressed in period costume as Maggie Jenkins. Ecole Margaret Jenkins Elementary School is celebrating the schools' 100 year centennial and Principal Hardy (aka Maggie) gave a brief description of the events that will be taking place at the school throughout the year.

Nelson, a grade 4 student, made a brief presentation sharing some of the research he had done on the history of the school.

Grade 4/5 teacher, Mr. Steven Tolekis, introduced Marilla, Isabel, Nolan, Melissa and Caitlin who shared the project their class is participating in called "The Heritage Project" and explained the Kidblog they are using to post their comments and projects.

Chair Orcherton thanked Principal Hardy, Mr.Tolekis and the students for attending and presenting to the Board.

A5. District Presentations - None

A6. Community Presentations

- a) Lise Tetrault attended the Board meeting to speak on behalf of the Greater Victoria Teachers' Association. Ms. Tetrault was speaking against the proposed Attendance Awareness Program and urged the Board to lobby the Provincial Government to increase funding to school districts.
- b) Kirk Doherty attended the Board meeting to speak on behalf of the Greater Victoria Teachers' Association. Mr. Doherty was speaking against the proposed Attendance Awareness Program and stated that the current British Columbia Teachers' Federation health and wellness program appears to be working sufficiently without spending money to implement a program in the school district.

A7. Trustees' Reports

Trustee McNally reported that she attended Victoria High School for their information night and a Healthy Saanich Advisory Committee meeting.

Trustee McEvoy reported that he attended an Oak Bay High School Design Committee meeting with Oak Bay Council members and representatives of the district and also wanted to fondly remember former Trustee John Young.

Trustee Loring-Kuhanga reported that before the winter break she was able to attend winter concerts, band concerts, sing-alongs and craft nights at the following schools: Craigflower, Lakehill, Macaulay, Tillicum, Rogers, Strawberry Vale, Central, Esquimalt, Spectrum, and Lambrick Park.

B. CHAIR'S REPORT

Chair Orcherton reported that on December 12, 2013 she met with NDP Education Critic, Rob Fleming to discuss issues facing our Board and the importance of public education.

Chair Orcherton acknowledged how busy December is and thanked Trustees who were able to attend winter concerts and Christmas celebrations on behalf of the Board and reported that she was able to attend a few as well.

Chair Orcherton went on to report that she was interviewed by Alan Perry on CFAX on December 30, 2013 and attended an Artist's Opening Reception at Goward House on January 12, 2014 which displayed artwork from Frank Hobbs, Arbutus, Lambrick Park and Mt. Douglas.

Lastly, Chair Orcherton was pleased to report that a strike has been averted with CUPE Local 947 as a tentative agreement was reached on January 17, 2014. The membership will vote to ratify the agreement by the end of January.

C. BOARD COMMITTEE REPORTS

C1. Education Policy Development Committee

a) Trustee Alpha presented the minutes from the January 6, 2014 Education Policy Development Committee meeting for information.

C2. Operations, Policy and Planning Committee

- a) Trustee Leonard presented the minutes from the January 13, 2014 Operations, Policy and Planning Committee meeting for information.
- b) Trustee Leonard referred to the minutes from the Operations, Policy and Planning Committee meeting and presented the following motion that had been tabled until the Secretary-Treasurer could be present.

Discussion ensued amongst the Trustees with questions of clarification being asked of Secretary-Treasurer Laser and Director of Human Resource Services, Kim Munro.

It was moved and seconded:

That the Board of Education of School District No.61 (Greater Victoria) implement the Attendance Awareness Program and proceed to hire a Human Resource Advisor, Wellness and Attendance Awareness, to coordinate the program.

Motion Carried

D2. Secretary-Treasurer's Report - None

E. REPORTS FROM TRUSTEE REPRESENTATIVES - None

F. NEW BUSINESS/NOTICE OF MOTIONS

F1. iPad Safety – Trustee McNally

Trustee McNally presented her motion and provided her rationale. Discussion ensued amongst the Trustees with questions of clarification being asked of Associate Superintendent Pat Duncan.

It was moved and seconded:

- a) i. That the Board ensure that all K-5 classrooms with wifi capability have simplified iPad safety requirements posted where students can read them, and
 - ii. that the instructions are clearly interpreted in drawings for non-readers;
 - iii. that the classroom teacher review these safety requirements with students as needed and if unsafe operation of the iPad is noted, and
 - iv. that all school personnel who will be working with students and iPads be given a copy of the iPad safety information below:

School Staff Information:

Exposure to Radio Frequency Energy: iPad contains radio transmitters and receivers. When on, iPad sends and receives radio frequency (RF) energy through its antenna. The Wi-Fi and Bluetooth® antennas are located behind the screen to the left of the Home button, and behind the Apple logo. iPad has been tested and meets the SAR exposure requirements for Wi-Fi and Bluetooth operation. A cellular antenna is located at the top edge of the iPad Wi-Fi + 3G, when oriented with the Home button at the bottom. For optimal mobile device performance and to be sure that human exposure to RF energy does not exceed the FCC, IC, and European Union guidelines, always follow these instructions and precautions: Orient the device in portrait mode with the Home button at the bottom of the display, or in landscape mode with the cellular antenna (located under the black edge at the top of the device) away from your body or other objects.

Electronic Interference: The wireless transmitters and electrical circuits in iPad Wi-Fi + 3G may cause interference in other electronic equipment. If you have any reason to suspect that interference is taking place, turn iPad off immediately (press and hold the Sleep/Wake button, and then slide the onscreen slider)

Medical Devices: iPad contains radios that emit electromagnetic fields....[which] may interfere with pacemakers or other medical devices. If you wear a pacemaker maintain at least 6 inches (approximately 15 cm) of separation between your pacemaker and iPad....iPad has magnets along the left edge of the device and on the right side of the front glass which may interfere with ...medical devices.

Medical conditions: If you have any medical condition that you believe could be affected by iPad (for example, seizures, blackouts, eyestrain or headaches), consult with your physician prior to using iPad.

Seizures, Blackouts, and Eyestrain

A small percentage of people may be susceptible to blackouts or seizures (even if they have never had one before) when exposed to flashing lights or light patterns such as when playing games or watching video. If you have experienced seizures or blackouts or have a family history of such occurrences, you should consult a physician before playing games or watching videos on your iPad. Discontinue use of iPad and consult a physician if you experience headaches, blackouts, seizures, convulsion, eye or muscle twitching, loss of awareness, involuntary movement, or disorientation. To reduce risk of headaches, blackouts, seizures, and eyestrain, avoid prolonged use, hold iPad some distance from your eyes, use iPad in a well-lit room, and take frequent breaks.

Glass Parts

The outside cover of the iPad screen is made of glass. This glass could break if iPad is dropped on a hard surface or receives a substantial impact. If the glass chips or cracks do not touch or attempt to remove the broken glass and stop using iPad.

b) That the Board ensure all middle school classrooms have summarized points from the iPad safety section in the manual posted in every classroom and that the classroom teacher supervising operation of iPads review the safety information as needed / when unsafe operation is observed.

Proposed summary: If you hold the ipad in Portrait mode with the short edges at the top and bottom, keep the Home button at the bottom. If you hold the iPad in Landscape mode with the long edges on the top and bottom, hold the iPad so the the cellular antenna (located under the black edge at the top of the device) is away from your body. Use the iPad on a table top. Do not hold it against your body.

- c) That high school classrooms have the iPad safety information from the applicable manual posted and visible to students, and that it be brought to students' attention by the classroom teacher as needed.
- d) That any information posted in classrooms and / or provided to teachers regarding safe operation of iPads be sent to parents by the Administration of every school in which wifi is used.
- e) That the link to videos of recorded iPad emissions on the SafeInSchool site be provided to parents by school Principals. (http://www.safeinschool.org/2012/01/ipad-iphone-wi-fi-radiation-and.html)

Motion Defeated

For: Trustees McNally, Loring-Kuhanga, Alpha, Nohr Against: Trustees Ferris, McEvoy, Orcherton, Horsman, Leonard

G. COMMUNICATIONS

Chair Orcherton referred Trustees to a letter that she had received from the Victoria Confederation of Parent Advisory Councils (VCPAC) dated January 20, 2014. VCPAC advised Chair Orcherton that Trustee Nohr had distributed incorrect information to their members regarding Foundational Skills Assessment (FSA) score results.

Trustee Nohr stated that she had obtained the information she provided from a link on the Ministry of Education website. Chair Orcherton sought direction from the Board on how to rectify this situation. Discussion ensued amongst the Trustees with direction being given to Superintendent Gaiptman to forward the correct information to VCPAC. Trustee Nohr requested that Superintendent Gaiptman provide further information at the Education Policy Development Committee meeting on February 3, 2014.

A. Rugby Academy at Esquimalt High School

Mr. Colin Roberts, Principal of Esquimalt High School, Mr. Ed Garlinge, Esquimalt High School teacher and Mr. Tom Woods, community member and member of the Esquimalt High School Rugby Advisory Committee, provided a presentation on creating a rugby academy at Esquimalt High School.

The vision of the Rugby Academy is to create a high caliber program for students interested in rugby. It will provide an athletically challenging program that will be open to 30 students both male and female from grades 9-12. The academy was created from interest expressed by the Esquimalt community and will benefit the community as a whole. Mr. Garlinge will be the head coach and will be assisted by Rugby Canada and on occasion professional athletes.

Students will participate in the academy during the last block of each day all year and will earn 8 credits per year. Members of the Rugby Academy will be required to be full-time, motivated students and will be required to complete the application package. Students will not be denied access to the program due to personal funding challenges.

Mr. Woods spoke about the benefits for students having access to high level coaching and mentoring. This type of academy helps students to stay in school and creates character development.

The proposed Rugby Academy would benefit students academically, athletically, emotionally and socially due to the team building and mentoring aspects of the academy. The program would be cost efficient and the community will ensure that students who cannot afford the program are not turned away.

Trustees asked questions and thanked the presenters.

It was moved

That the Board of Education of School District No. 61 (Greater Victoria) approve the Rugby Academy at Esquimalt High School.

Motion Defeated

B. Board Authority Authorized (BAA) Courses: Rugby 10, 11, 12

Mr. Ed Galinge Teacher Esquimalt High School presented the rationale for the Board Authority Authorized (BAA) Courses: Rugby 10, Rugby 11, and Rugby 12.

The rugby courses would be offered in 3 x 80 minute blocks of skills/fitness and 2 x 80 minute blocks of classroom time. They may be concurrent units. Grade 10 will focus on fundamentals, grade 11 will focus on dynamic applications and grade 12 would include advanced strategies and tactics. Assessment will follow the physical education framework.

The rugby courses will focus on holistic athleticism, physical literacy, promoting healthy lifestyles, transferable life skills and character development.

It was moved

That the Board of Education of School District No. 61 (Greater Victoria) approve the following Board Authority Authorized courses: Rugby 10, Rugby 11 and Rugby 12

Motion Carried

Trustees for: Horsman, Loring-Kuhanga, McEvoy, Nohr, Orcherton, Trustees against: McNally

C. Foundation Skills Assessment

Superintendent Gaiptman presented information about the Foundation Skills Assessment. On January 18, 2010 the Board passed the following motion:

That the Board of Education of School District No. 61 (Greater Victoria) continues to honour all parent requests to withdraw from the Foundation Skills Assessment testing.

Motion Carried

This motion resulted in fewer students writing the FSA in grade 4 and grade 7. For example, in 2007 7% of students did not write the FSA, and by 2013, 23% of students did not write the FSA.

Deputy Superintendent Sherri Bell explained how to calculate and interpret FSA data. Ms. Bell explained that the current data cannot be compared with data from prior to 2008 since the Ministry made changes to the FSA in 2008. Different timelines, standards, scales and web-based portions of the FSA are now being used. The data prior to 2008 published both performance rates and participation rates, as the only performance data listed was for those students who wrote the exam. The current data now includes 'performance level unknown', which incorporates data from all students in the cohort.

Prior to 2008, the percentage of meeting or exceeding could be calculated easily. Beginning in 2008, calculating the percentage of students meeting and exceeding involves subtracting the number of students in 'performance level unknown', which is the number of students that did not write, from the cohort. It is essential to exclude the number of students who did not write in order when calculating the number of assessed students who are meeting and exceeding expectations.

Trustees asked questions and thanked Ms. Bell for the presentation and clarification.

D. Trustee McNally presented a motion:

That the Board of Education of School District 61 (Greater Victoria) write a letter to the Premier urging her not to appeal a recent decision by Judge Griffin.

Motion Tabled

Trustee McNally spoke to her motion. Motion tabled to the next board meeting by unanimous consent.

ADJOURNMENT

It was moved

That the meeting adjourn.

Motion Carried

The meeting adjourned at 9:18 p.m.

Course Synopsis

This course is designed to have students learn a variety of scientific principles, techniques and methodologies pertaining to the human body. Topics will include anatomy, physiology, biomechanics, care and prevention of athletic related injuries, sports nutrition, sports psychology, and team sport dynamics. The mode will vary from classroom studies to individual and team activities with a focus on the sport of rugby. Through these modes students will learn the practical use of these methodologies and principles. In addition to physical skills learned in this class, important life skills will also be covered. These skills include: goal-setting, leadership, time management, conflict resolution, communication, social responsibility, and community service.

Rationale

The pursuit of athletic excellence serves to promote physical literacy and provide for a healthy active lifestyle, lifelong learning and the skills and knowledge necessary to motivate students to be self-directed. This course creates an appreciation for the personal benefits of high level training and physical fitness. It is paramount that students learn the principles of training and the specific methodologies that suit their individual development and needs to promote a lifetime of fitness. Although the game of rugby is used as the primary mode to deliver all aspects and outcomes, the learned skills in this course will be transferrable to many life skills.

ORGANIZATIONAL STRUCTURE

- Three 80 minute blocks of rugby skills and fitness training per week will occur within the timetable. Students will be grouped according to grade level, skill level and gender for skills and tactics involving contact. All skills will be taught with appropriate progressions with an emphasis on safety and proper technique.
- Two 80 minute blocks of classroom instruction will occur per week within the timetable. All students will be grouped together for in-class game analysis and lessons pertaining to skills, tactics, and strategies.

The units that are found throughout all grades are not necessarily consecutive or limited to the section in which they are found. There are many cross curricular connections throughout the courses. The outcomes are designed to integrate the theory and practice of the game of rugby, deepening the students' understanding and skills as the grades progress.

Students in each grade will be evaluated and assessed using a similar framework to the board approved courses associated with the Reynolds Soccer Academy and the Spectrum Hockey Skills Academy. Some units will be taught concurrently (e.g. Fitness will be taught throughout the year with other units) while others will follow a natural order of progression (i.e. fundamental skills like passing and catching will be taught before support play and team patterns). All of the prescribed learning outcomes have been created in collaboration with Rugby Canada and the Esquimalt High Rugby Advisory Committee.

LEARNING OUTCOMES

Grade 10

Unit 1: Fitness: Sports Injuries + Nutrition

20 hours

Students will become familiar with the principles of team-building. They will work together in a cooperative and collaborative environment developing the basic skills required to build connections and relationships with others. In addition they will learn about the care and prevention of athletic injuries and develop a sports nutrition plan for themselves.

CURRICULUM ORGANIZER

It is expected that students will:

- Demonstrate an understanding of team/group dynamics through the application of collaboration skills
- Demonstrate an understanding of the value of interdependence through a variety of multi-disciplinary games
- Demonstrate an understanding of the common sports related injuries and how to care and prevent them
- Develop a nutritional plan specific for themselves and follow it for a period of 10 weeks
- Develop and maintain a fitness log for the duration of pre/in/post season (September to June)

Unit 2: Rules and Regulations: Variations & Referee Signals 20 hours

Students will add to their understanding of the basic laws of Rugby and learn the variations within the laws. They will also learn the conduct within the game and the appropriate methods of communication with a referee.

CURRICULUM ORGANIZER

- Demonstrate an understanding of U19 rules and how they are different from IRB League rules
- Demonstrate an understanding of 7 a-side Rugby and how the rules differ from 15 a-side
- Demonstrate an understanding of the primary, secondary, and tertiary hand signals a referee uses throughout a game
- Demonstrate an understanding of the touch judge signals and the role of the assistant referee
- Demonstrate appropriate communication and conduct with officials

Unit 3: Coaching Rugby: Pre-Season Programs

20 hours

Students will learn the basics of setting up and completing practices for pre-season programs. They will complete a 4 week pre-season practice plan including skills, fitness, and nutrition.

CURRICULUM ORGANIZER

It is expected that students will:

- Demonstrate an understanding of pre-season practices by creating, implementing and evaluating a 4 week practice plan for a designated age group (age will depend on which group the athlete would like to work with: elementary, middle school, or high school. They also may create a pre-season program which they will run the following year as grade 11's for the younger players)
- Demonstrate an understanding of the role of fitness development in pre-season practices
- Demonstrate an understanding of the role of skill development in pre-season practices
- Demonstrate an understanding of the role of nutrition in pre-season practices

Unit 4: Support Play and Team Patterns

20 hours

Fundamental to the success of all team sports is the development of support play and team patterns. Students will demonstrate an understanding of basic support plays and team patterns such as supporting the ball carrier, rucking over, and deep, wide attack. In addition, they will increase their awareness as to when certain plays are appropriate.

CURRICULUM ORGANIZER

- Demonstrate an understanding of a ruck and a maul and when it is appropriate to do
- Demonstrate how to support the ball carrier and maintain an attacking position
- Demonstrate a basic understanding of the scrum and know when and where it is used
- Demonstrate a basic understanding of the line out and the various advantages to numbers and options
- Demonstrate a basic understanding of what constitutes a penalty and when/ what type of play to use

20 hours

Unit 5: Introduction to Strategies and Tactics

Students will become familiar with basic defensive and offensive strategies and tactics. A major factor in the game of Rugby is knowing when and where to execute certain team organized patterns. Students will learn how to recognize these opportunities and practice executing them in a variety of conditions.

CURRICULUM ORGANIZER

It is expected that students will:

- Demonstrate an understanding of flow pattern while on offense
- Demonstrate an understanding of when we might use X pattern on offense
- Recognize how to respond when an attacking team has a one or more man advantage
- Demonstrate an understanding of person to person defense
- Demonstrate an awareness of what needs to happen at the break down

Grade 11

Unit 1: Fitness: Biomechanics

20 hours

Students will become familiar with the mechanics associated with the structure and function of the human body. Athletes will familiarize themselves with the laws of mechanics as they are applied in order to gain a greater understanding of athletic performance and to reduce sport injuries. In addition, a variety of team-building and cohesion activities will enable students to work together to solve problems associated with mechanical advantage and efficient human performance.

CURRICULUM ORGANIZER

It is expected that students will:

- Demonstrate an understanding of basic energy transfer systems in the human body
- Demonstrate an understanding of how force vectors work in the human body
- Demonstrate an understanding of the Kinetic Chain Theory and how that effects strength, power, and endurance
- Demonstrate an understanding of how an increased awareness of biomechanics can increase the efficiency of human performance

Unit 2: Rules and Regulations: Specific Laws

20 hours

CURRICULUM ORGANIZER

Students will move from a general knowledge of general rules of rugby to more specific laws which will enhance their understanding of the game. This increased awareness will create clarity while on the field and improve decision making. The specific laws chosen are aspects of the game which can be confusing and are often highly subjective based on the referee's perspective.

- Demonstrate an understanding of the Advantage law (#8) through proper positioning
- Demonstrate an understanding of the Offside/Onside law (#11) through proper positioning defensively and offensively
- Demonstrate an understanding of the Ball on Ground law (#14)
- Demonstrate an understanding of the Mark law (#18) by practicing a variety of situations
- Demonstrate an understanding of the Penalty and Free kicks law (#21) by practicing a variety of kicks

Unit 3: Coaching Rugby: In-Season Programs

20 hours

Students will learn the basics of setting up and completing practices for in-season programs. They will complete a 4 week in-season practice plan including skills, fitness, and nutrition.

CURRICULUM ORGANIZER

It is expected that students will:

- Demonstrate an understanding of in-season practices by creating, implementing and evaluating a 4 week practice plan for a designated age group (age will depend on which group the athlete would like to work with: elementary, middle school, or high school. They also may create an in-season program which they will run the following year as grade 12's for the younger players)
- Demonstrate an understanding of the role of fitness development for in-season practices
- Demonstrate an understanding of the role of skill development for in-season practices
- Demonstrate an understanding of the role of nutrition for in-season practices

Unit 4: Defensive Strategies and Tactics

20 hours

Students will learn specific defensive strategies and tactics associated with the game of Rugby.

CURRICULUM ORGANIZER

It is expected that students will:

- Demonstrate an understanding of ABC defense at the breakdown
- Demonstrate an understanding of proper defensive body position
- Demonstrate an understanding of player positional defense at the scrum
- Demonstrate an understanding of player positional defense during lineouts
- Demonstrate an understanding of player positional defense during penaltics

Unit 5: Offensive Strategies and Tactics

20 hours

Students will learn specific offensive strategies and tactics associated with the game of Rugby.

- Demonstrate an understanding of scrum plays, and the skills associated with executing those plays
- Demonstrate an understanding of line out plays, and the skills associated with executing those plays
- Demonstrate an understanding of free kick and penalty plays, and the skills associated with executing those plays

Grade 12

Unit 1: Fitness: Psychology of Sport

20 hours

Students will be introduced to theoretical, research, and applied issues in Sport and Exercise Psychology. Focusing on the inner athlete will provide the student with a broad understanding of the field of Sport and Exercise Psychology. Theories that have been developed to help understand behaviours related to sport and exercise participation will be covered. In addition, students will be working in a co-operative group setting where they will explore the effects of visualization and mental preparation on goal setting and human performance.

CURRICULUM ORGANIZER

- Demonstrate an understanding of the importance of evidence-based practice in the realm of Sport and Exercise Psychology
- Develop the ability to implement basic mental skill strategies
- Demonstrate an understanding of the applicability of Sport and Exercise Psychology
- Demonstrate the effectiveness of team cohesion through group goal setting and accomplishment

Unit 2: Rules and Regulations: Application & Clarifications

20 hours

CURRICULUM ORGANIZER

Students will continue to refine their understanding of the laws of Rugby by acting as officials for a variety of intramural game activities. Students will also be given the opportunity to take a referee's certification course offered over a weekend in the early Spring.

It is expected that students will:

- Demonstrate an understanding of the Rugby laws by officiating at least 4 intramural games
- Demonstrate an understanding of the laws of Rugby by completing a game analysis form outlining the major calls and events of an international Rugby match
- Demonstrate an understanding of the laws of Rugby by playing the game with focus and clarity

Unit 3: Coaching Rugby: In Season/Post Season Programs

20 hours

Students will apply the knowledge and experience they have gained by setting up and completing practices for in-season and post season programs. They will complete a 6 week in/post-season practice plan including skills, fitness, and nutrition.

CURRICULUM ORGANIZER

It is expected that students will:

- Demonstrate an understanding of in/post-season practices by creating, implementing and evaluating a 6 week practice plan for a high school or club team
- Demonstrate an understanding of the role of fitness development for in/post -season practices
- Demonstrate an understanding of the role of skill development and refinement for in/post -season practices
- Demonstrate an understanding of the role of nutrition for in/post -season practices

Unit 4: Advanced Strategies and Tactics

20 hours

Students will learn the specific plays associated with the strategies both defensively and offensively. They will also learn the specific skills related to improve and further develop the tactics needed to execute the appropriate strategies.

CURRICULUM ORGANIZER

It is expected that students will:

- Demonstrate an understanding of the variety of plays from a scrum
- Demonstrate an understanding of the variety of line outs
- Demonstrate an understanding of the variety of penalty plays
- Demonstrate the necessary running skills, lines of attack, and lines of defensive pressure

Unit 5: Rugby Dynamics

20 hours

Students will learn about the variety of dynamic situations during a game of Rugby. They will be exposed to many situations where they will have to make fast decisions, communicate quickly and effectively execute tactical patterns.

It is expected that students will:

- Demonstrate a higher level of understanding of the game of Rugby through proper positioning and efficient ball movement
- Demonstrate a high level of situational awareness by effectively communicating plays and anticipating opponents' movements
- Demonstrate a high level of understanding of the game of Rugby by being able to play a variety of positions

There is a growing body of research focused on the association between school-based physical activity, including physical education, and academic performance among schoolaged youth.3-10 To better understand these connections, this review includes studies from a range of physical activity contexts, including school-based physical education, recess, classroom-based physical activity (outside of physical education and recess), and extracurricular physical activity. The purpose of this report is to synthesize the scientific literature that has examined the association between school-based physical activity, including physical education, and academic performance, including indicators of cognitive skills and attitudes, academic behaviors, and academic achievement.

B. Sub-Committee on Public Engagement

Chair Leonard referred to draft Bylaw 9360.01: Question Period during General Meetings of the Board of Education and stated that framework items 1, 4, 6 and 8 were agreed upon by consensus during the December 2, 2013 Operations Policy and Planning Committee (OPPs) meeting. Chair Leonard led the discussion on items 2, 3, 5, 7, and 9.

The following items were agreed upon by Trustees:

- Item 2 no changes
- Item 3 wording changed to: "During Board meetings all questions must be submitted in written form and signed by the person posing the question, who must be in attendance".
- Item 5 combined with item 7; wording changed to: "Questions [may] be submitted into a box on the District Leadership Team table, prior to the District Presentation portion of the agenda. Questions will be asked in order of submission. Priority will be given to those who have not presented during the Community Presentation portion of the agenda. If time permits, questions may be submitted in writing from the floor".

Framework items 9, 10, 11, 12 and 13 will be reviewed at the March OPPs meeting.

6. FINANCE AND LEGAL AFFAIRS

A. 2014-2015 Public Budget Meetings

Secretary-Treasurer Laser reviewed the dates and formats of the public budget meetings scheduled to discuss the 2014-2015 operating budget.

7. PUBLIC DISCLOSURE OF IN-CAMERA ITEMS

A. B.C. Supreme Court Ruling

Chair Leonard advised that the Board has received a preliminary estimated cost in excess of \$8.3 million representing the cost of applying the 2002 Collective Agreement class size and composition language.

8. NEW BUSINESS/NOTICE OF MOTION

A. Trustee Orcherton - Class Size and Composition

Trustee Orcherton presented her motion and rationale.

Discussion ensued amongst the Trustees. Trustee McNally proposed an amendment. Chair Leonard ruled the amendment out of order and called for a vote on the main motion.

It was moved:

That the Board of Education of School District No. 61 (Greater Victoria) write a letter to Premier Clark strongly urging the Provincial Government to return to the bargaining table, in good faith, to negotiate class size and composition language and to fully fund the agreed to language.

Motion Carried

For: Trustees Orcherton, Horsman, Ferris, and Leonard

Against: Trustees Nohr and McNally

B. Trustee Nohr - Class Size and Composition

Trustee Nohr presented her motion and rationale. Discussion ensued amongst the Trustees.

It was moved:

That the Board of Education of School District No. 61 (Greater Victoria) send a letter to Premier Clark and Minister Fassbender requesting that they do not proceed with the appeal of Justice Susan Griffin's decision, instead, re-instate all funding and class size/composition language to the 2002 levels.

Motion Defeated

For: Trustees Nohr and McNally

Against: Trustees Orcherton, Horsman, Ferris and Leonard

C. Trustee Nohr - Class Size and Composition Costing

Chair Leonard informed the Committee that this motion was withdrawn.

In order to be fully informed about the potential costs to the district, the Board of Education of School District No. 61 (Greater Victoria) request that the Secretary-Treasurer bring forward the costs for the district to re-instate the necessary funding to align ourselves with the 2002 funding formulas and the class size/composition language.

Motion Withdrawn

D. Trustee Nohr - WorkSafeBC

Trustee Nohr presented her motion and rationale.

It was moved:

That the Board of Education of School District No. 61 (Greater Victoria) request senior administration to provide a review of WorkSafeBC surcharges for 2012-2013 and 2013-2014 for the February 2014 Board meeting.

Discussion ensued amongst the Trustees. Trustee Nohr clarified that she is looking for the nature of the claims that impact WorkSafeBC surcharges and suggested an amendment to her motion.

It was moved:

To amend the main motion to add the words "with a focus on the nature of the claims" after the word surcharges, remove "and 2013-2014", and replace February 2014 Board meeting with "March 2014 Operations, Policy and Planning Committee meeting".

Motion Defeated

For: Orcherton, Nohr, and McNally Against: Horsman, Ferris, Leonard

Chair Leonard called for a vote on the main motion.

It was moved:

That the Board of Education of School District No. 61 (Greater Victoria) request senior administration to provide a review of WorkSafeBC surcharges for 2012-2013 and 2013-2014 for the February 2014 Board meeting.

Motion Carried

For: Orcherton, Nohr, McNally and Horsman

Against: Leonard and Ferris

E. Trustee Nohr - Department Expenses

Trustee Nohr presented her motion and rationale. Discussion ensued amongst the Trustees.

It was moved:

In order to have a complete understanding of the options for cost savings in this deficit budget year and due to the proposal to close a school, Sundance, the Board of Education of School District No. 61 (Greater Victoria) request senior administration to provide a detailed review of the department expenses for the Superintendent, Deputy Superintendent, Associate Superintendents, Information Technology, Learning Initiatives and Healthy Schools.

Motion Withdrawn

F. Trustee Loring-Kuhanga - Budget Meetings

Chair Leonard stated that the budget meeting format was presented by Secretary-Treasurer Laser earlier this evening.

Discussion ensued amongst the Trustees and it was decided to vote on the motion.

It was moved:

That the Board of Education of School District No. 61 (Greater Victoria) structure the public input budget meetings on February 19, April 2, April 9 and the March 26 budget presentation as question-focused round table meetings which would provide for greater discussion and dialogue by the stakeholders and general public.

Motion Defeated

For: Trustees Nohr and McNally

Against: Trustees Orcherton, Horsman, Ferris and Leonard

G. Trustee Loring-Kuhanga - Cyber-Bullying

Chair Leonard suggested that this motion be referred to the District Leadership Team to allow time to review all relevant policies and regulations before developing new policies and regulations.

Discussion ensued amongst the Trustees.

It was moved:

That the motion "That the Board of Education of School District No. 61 (Greater Victoria) develop policies and regulations regarding cyber-bullying that are current with the proposed federal legislation Bill C-13 by directing the District Leadership Team to review all SD61 relevant policies and regulations and make recommendations to the Board of Education on any additions, changes and/or revisions that align with the Ministry of Education's Safe, Caring and Orderly Schools" be tabled.

Motion Tabled

For: Orcherton, Horsman, Ferris, and Leonard

Against: Nohr and McNally

9. GENERAL ANNOUCEMENTS - None

10. ADJOURNMENT

It was moved:

That the meeting adjourn.

Motion Carried

The meeting adjourned at 9:45 p.m.

RE:

2013/2014 AMENDED ANNUAL BUDGET BYLAW

The Minister has requested that school boards prepare and approve an Amended Annual Budget for the 2013/2014 school year. The Amended Annual Budget takes into account both the revenues and the expenditures arising from the actual September 30, 2013 enrolments, all grant amounts confirmed subsequent to the approval of the annual budget, and all amounts carried forward from the previous fiscal year. As such, the Amended Annual Budget provides a better comparison to the actual results to be reported in the financial statements for the fiscal year ending June 30, 2014. The 2013/2014 Amended Annual Budget reflects an enrolment decrease of 270 FTE as compared to the 2012/2013 school year.

The Amended Annual Budget has been prepared based on the Public Sector Accounting standards which require the budget to include the operating, special purpose and capital funds. Consequently, the budget bylaw amount of \$207,798,396 includes the total budgeted expenses in the operating, special purpose and capital funds.

- Statement 2 of the amended annual budget document consolidates the revenue and expense budget amounts for all funds.
- The operating budget revenue and expenditure details are shown on Schedules 2, 2A, 2B and 2C.
- The special purpose fund revenue and expense details are shown on Schedules 3 and 3A.
- The capital fund revenue and expense details are shown on Schedule 4.

In order to pass the Amended Annual Budget Bylaw at one meeting, the Board must unanimously agree to give the bylaw all three readings at one sitting. The following motions are therefore recommended:

Recommended Motion:

That the Board of Education of School District No. 61agrees to give all three readings of the 2013/2014 Amended Annual Budget Bylaw at the meeting of February 17, 2014.

Motion to be Carried Unanimously

Recommended Motion:

That the School District No. 61 (Greater Victoria) Amended Annual Budget Bylaw for fiscal year 2013/2014 in the amount of \$207,798,396 be:

Read a first time the 17th day of February, 2014;

Read a second time the 17th day of February, 2014;

Read a third time, passed and adopted the 17th day of February, 2014;

And that the Chairperson and the Secretary Treasurer be authorized to sign, seal and execute this Bylaw on behalf of the Board.
