POLICY 1300

ACCEPTABLE USE OF DISTRICT TECHNOLOGY AND NETWORKED INFORMATION

The computing and telecommunication facilities and services provided by the Greater Victoria School Board is intended for teaching, learning and administrative purposes. As such School District computing and telecommunication resources are used to enhance educational programs and to conduct School District business.

It is the intent of the Greater Victoria School Board that:

1. Each student, employee and other person having access to any School District computing resource is required to use such resources in a legal, ethical, responsible and professional manner
2. The publication and posting of information on any School District network or the World Wide Web is to be in accordance with ethical and legal standards and those derived directly from standards of common sense and courtesy that apply to the use of any public resource.
3. Access to District computing and telecommunication resources is a privilege, not a right.
4. Access to District computing and telecommunication resources may be withdrawn if employees or students do not comply with the Board policy governing the acceptable use of District technology and networked information.
