
REGULATION 4123

SALARY REGULATIONS - PART-TIME SERVICE

1. A teacher employed for a school year on a part-time basis may be granted increments in accordance with the following conditions:
 - a) Periods of part-time service may be combined and if the total service equals ten months of full-time an increment shall be granted.
 - b) Consideration may be given to the granting of one increment for service which equals at least eight months.
2. Part-time service in any other school district(s) in B.C. will rank equally with part-time service in School District #61. It shall be the responsibility of the teacher to submit a certified statement for this type of service with each period expressed as a decimal or percentage of the school year.
3. The provisions of the salary agreement currently in effect shall apply when considering part-time service in other provinces or countries. Proof of such service will be required.
4. Part-time service will be calculated on the basis of the number of hours instruction is offered in a school day, school week, or timetable cycle.
5. Part-time and partial-year service may be combined in order to qualify for an increment.
6. The above regulations are effective from September 1st, 1980.
