## **REGULATION 4124**

---

### **SALARY REGULATIONS - PARTIAL-YEAR SERVICE**

1. A teacher employed for less than eight months in each of two or more school years may be granted increment in accordance with the following conditions:
  - a) Periods of partial-year service may be combined and if the total service is ten months an increment shall be granted.
  - b) Consideration may be given to the granting of one increment for combined service which totals at least eight months.
2. Partial-year service in any other school district(s) in B.C. will rank equally with partial-year service in School District #61. It shall be the responsibility of the teacher to submit a certified statement for this type of service with each period expressed as a decimal or percentage of the school year.
3. The provisions of the salary agreement currently in effect shall apply when considering partial-year service in other provinces or countries. Proof of such service will be required.
4. Partial-year and part-time service may be combined in order to qualify for an increment.
5. The above regulations are effective from September 1st, 1970.
