
REGULATION 5118.1

CHARGING OR WAIVING FEES FOR TUITION OF CERTAIN PUPILS OF SCHOOL AGE AND CERTAIN PERSONS OVER SCHOOL AGE, RESIDENT AND NONRESIDENT

The charging or waiving of tuition fees shall be as follows:

1. Tuition fees for education provided and accountable within established trust accounts.

That in order to offset the operating expenses of the undermentioned educational classes, courses, or programs offered by our School District, a fee for accommodation and tuition shall be charged to the parent or guardian of a pupil of school age, or to a person over school age, as the case may be, enrolled and attending a school in our School District as follows:

- a) For Summer School class instruction in a program not included in the Provincial Curriculum (S.A. Section 158(c) involving nonresidents, of over school age only.
 - b) For any other course or program approved by the Minister (S.A. Section 160) involving nonresidents, worldwide, and residents, of over school age only.
2. Tuition fees for education provided and accountable within the Basic Education Program.
 - a) That individual pupils or groups of pupils, all of school age, residing in other school Districts in British Columbia may be admitted to our elementary or secondary schools, or special programs, also individual persons or groups of persons, all of over school age, residing in other School Districts in British Columbia, may be admitted to our special programs, provided that an executed agreement has been entered into

with the other involved School Board for provision of such appropriate tuition and accommodation which our School Board shall provide free of charge (S.A. Section 160).

- b) That individual pupils of school age residing in an area not within the Province of British Columbia, worldwide, may be admitted, free of charge, to our elementary or secondary schools (S.A. Section 158(a)).

Greater Victoria School District
