

The Greater Victoria School District is committed to each student's success in learning within a responsive and safe environment.

REGULATION 6145.01

EXTRA CURRICULAR ATHLETICS

During the regular season for each sport (excluding playoffs) every student named to a representative school team should have an opportunity to play a reasonable amount in every game - barring sickness, injury or discipline.

If there are parental concerns related to coaching, the channels of communication should be through the Coach, then the Principal, and, if not resolved, the Associate Superintendent responsible for the school.

Grade 8 middle school students will be able to attend the secondary school of their choice (space permitting) without it affecting their eligibility in BC School Sports competitions.
