Dear Minister Abbott:

At our regular Board of Education meeting held on Monday, June 18, 2012 the following motion was passed:

That the Board of Education of School District No. 61 (Greater Victoria) write to the Minister of Education asking him not to cut any funding to any graduated learner courses, and that the Minister fully fund these courses without a holdback component.

The Board of Education of School District No. 61 (Greater Victoria) believes that graduated adult learners in our community deserve the same consideration with respect to funding. With this in mind, we respectfully request your consideration to fully fund these courses per the motion above.

We look forward to a favourable response.

Respectfully submitted,
