

TASK 2018

The Trades, Awareness, Skills and Knowledge Program (TASK Program) is a trade exploration program designed in cooperation with the Camosun College South Island Partnership. Students in grades 10, 11 and 12 from the Victoria School District will be invited to attend this program, starting in the second semester.

Students will experience a variety of trades including carpentry, electrical, sheet metal, welding, plumbing, machining, general maintenance, installation, inspection, demolition, testing and troubleshooting.

The experience gained in this program will give students:

- Dual Credit (Secondary and Post Secondary)
- An introduction to SD 61 ACEIT Programs
- Certification in WHMIS, Fall Protection and Confined Space Entry
- Skills to gain employment and/or enter an apprenticeship
- Further post secondary training
