

EDUCATIONAL ASSISTANT - GENERAL (*Spareboard*)

At the Greater Victoria School District, we believe in the value of high expectations and in every individual's capacity to learn and positively impact the future. In 47 schools serving 19,000 students, our 3,000 employees are committed every day to ensuring our students' success in a responsible and safe environment. We offer a variety of specialty programs, from athletic academies and career preparation to French immersion and a Challenge program.

Working under the direction of a teacher and the supervision of a Principal, you will work directly with students to provide a wide range of academic assistance, monitoring behaviour and facilitating integration in the classroom and school environment.

No two days will be the same—you will be called on to facilitate student learning individually or in small groups, document daily progress, support students in learning social behaviour or life skills, supervise during recess or lunch and organize classroom items. In this variety-filled role, you may also attend meetings with teachers, parents and therapists, or assist in the student's personal care such as feeding, hygiene or toileting.

Along with Grade 12 (or the equivalent) and current First Aid and CPR certification, you have completed either a Community Support Worker or Educational Assistant Program certificate, or equivalent post-secondary courses in child or adolescent development or behaviour management. One year of experience working with people with special needs is expected; experience in a school setting would be strongly preferred.

Although this is currently an on-call position, it may lead to continuing employment in the future. This position falls under the CUPE collective agreement at a pay rate of \$22.48 per hour plus 11% in lieu of benefits. For a detailed job description, [click here](#).
