We are practicing the inclusion model with our 22 Low Incidence Students

Strong Start Center

Areas of Focus for 2016-2017

Facilitate
Meaningful
Inclusion

Improve Student
Engagement in the
Writing Process

Improve
student
numeracy
and literacy

Enhance Student's
Ability to
Self-regulate

Celebrating Reading
Week with a School
Wide Human Scrabble
Game

250,000 minutes
read = the
Principal riding a
tricycle all day!

Early Literacy: Pilot Project

109 students in K, 1 & 2

Common Literacy Blocks

13 levelled groups

7 staff members

2-3 guided reading sessions
weekly

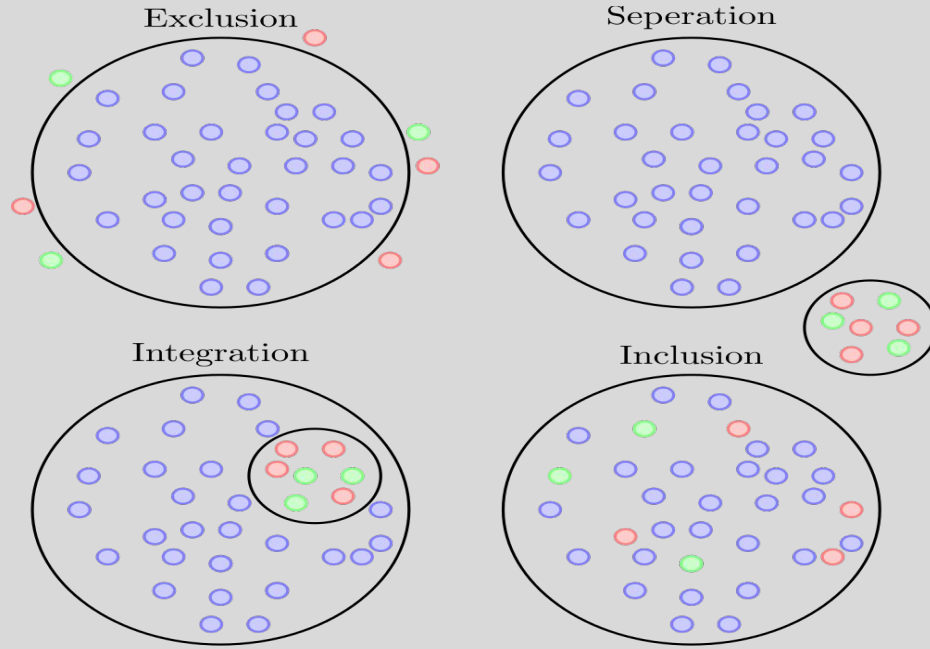

Daily literacy centers based on
common strategies

Focus on Numeracy

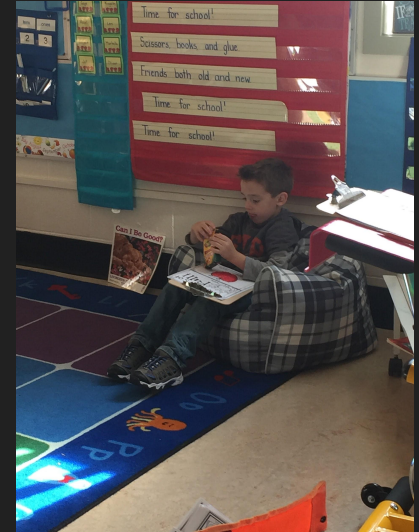

Based on an Enhancing Learning Grant from last year where we explored the use of Mathletics, an online computer based Math program that focuses on the BC curriculum.

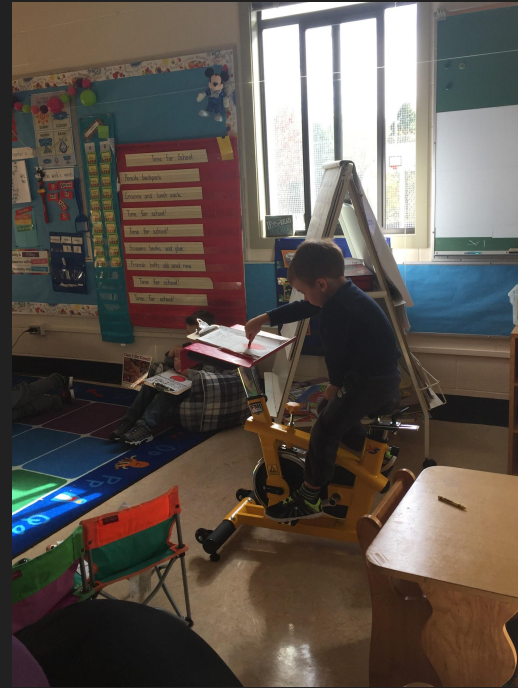

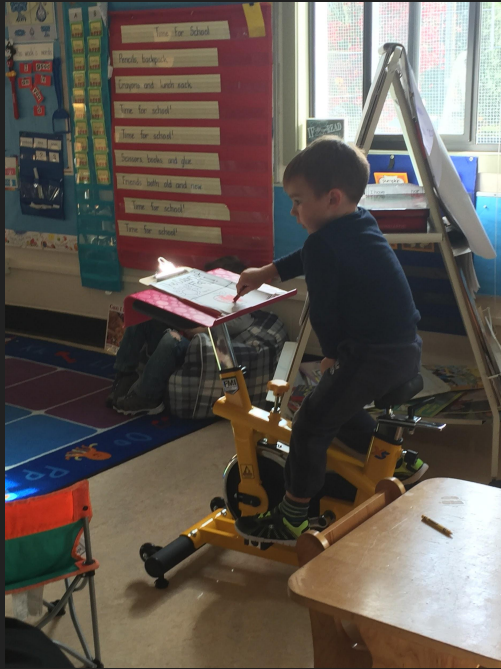

Meaningful Inclusion: all students are part of a greater community and have a true sense of belonging and accomplishment

Self Regulation

Self Regulation ~ Silent Bikes
