Peer Editing
Group Projects

One on One
Writers Workshop
Running Records

Literacy Centres
Small group
instructions mixed
with skill building
independent
stations

Literacy Focus

Whole School Reading Program

Reaching beyond
classroom walls.

The whole school ready
program encourages
students to read

Learning Support is a **Whole School** Support System

01

Reading Recovery

Grade One students who need targeted intervention to catch up on beginning reading skills

02

Targeted Math Groups

Sessions lasting 4-6 weeks targets specific math skills for small groups of students

03

Small Group Instruction

On-going learning support meets learners where they are and continues them on their learning journey.

Active Learning Fosters **Engagement**

Hands On Learning

Demonstrating learning through creating and designing

Learning Through Games and Play

Math games to solidify concepts

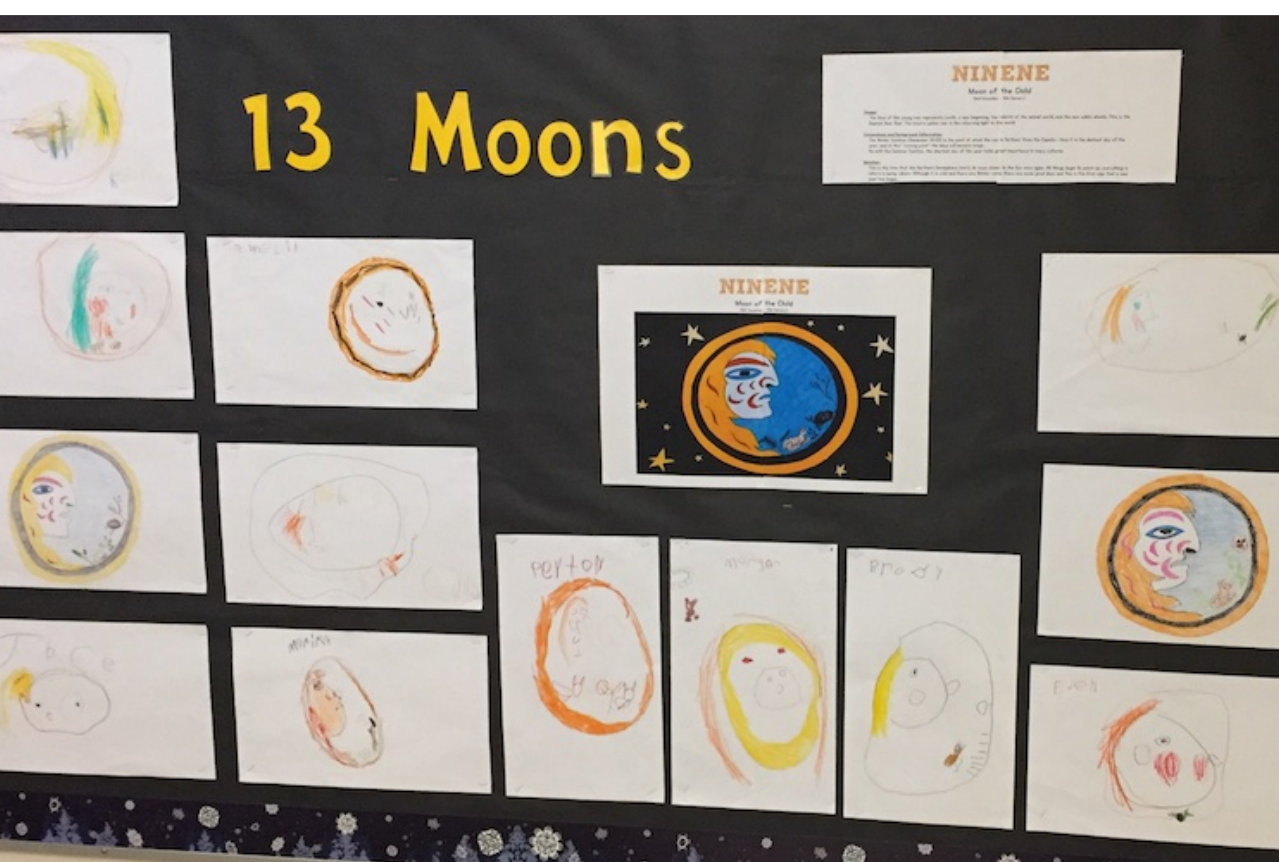

Movement Breaks

Helping students to maintain focus and alertness while encouraging healthy lifestyle choices

First Peoples Learning

Part of Our School Culture

Set Up to **Succeed**

Tools to Learn

Making
Available Tools
for Success

Pairing These
Tools with
Support Staff

Amazing EAG
Support

Reaching **All Students** In the Classroom

Technology

iPads help students stay focused during dedicated skill practice times, provide much needed breaks, and allow students to create digital media.

Audio Systems

Audio systems in classrooms provide opportunities for even the quietest students a chance to be heard as they share in the learning process.

Tech Packages

Visuals on the big screen provide better demonstration models for students to grasp new concepts and showcase their own work for peer review.

Preparing Students For The **Future**

Technology Classes

Students visit the computer lab with our Teacher Librarian once a week

iPads in Classrooms

iPads are used to provide targeted skill development and creative digital apps

Coding Practice for All Levels

Students are introduced to coding through game based programs and websites

Do Something **Kind** for Someone Today

Terry Fox 2017
\$ 400

About \$400 raised for
Cancer Research.
