**** Applicants are welcome to apply for both Academic Credit and/or Academic Completion**

Teachers must have a sound working knowledge of Ministry IRP's and their prescribed learning outcomes.

Teachers instructing in *Academic Completion Courses* will instruct 1 or 2 classes. Each class will run 5 hours per day (over a 5.5 hour period including two 15 minute breaks) for a period of **8 days (July 4-13 and/or July 17-27)**. ****Note that during the week of July 4th, classes will run on Friday to accommodate the July 1st weekend holiday; all other weeks will be Mon-Thurs.* These classes are for students who have not yet successfully completed the learning outcomes for the course during the regular school year or who wish to upgrade their skills. Instruction will focus on allowing students the opportunity to successfully demonstrate their competency in the learning outcomes for the course. Students will have the opportunity to obtain the letter grade which reflects their achievement of the learning outcomes.

Academic Credit Course teachers will teach 5 hours per day (over a 5.5 hour period including two 15 minutes breaks) for **16 days (July 4 - 27)**. ****Note that during the week of July 4th, classes will run on Friday to accommodate the July 1st weekend holiday; all other weeks will be Mon-Thurs.* These courses cover the provincial curriculum and final grades are reported with both a letter grade and a percentage mark, except for provincially examinable courses which require only a percentage mark.
