

Colquitz Community Connections

Goal/Objective

- When kids take action, they make a difference!
- Building on a school goal focused on fostering, and deepening Colquitz School's Community Relationships.

Colquitz Middle offers a huge range of amazing programs. We have a great fine arts program, a school garden, great academics, lots of sports teams, and a great exploratory program. Beyond these programs, we like to get involved in our community...

Students at Colquitz want to make a difference locally and globally. We find lots of ways to do so ...

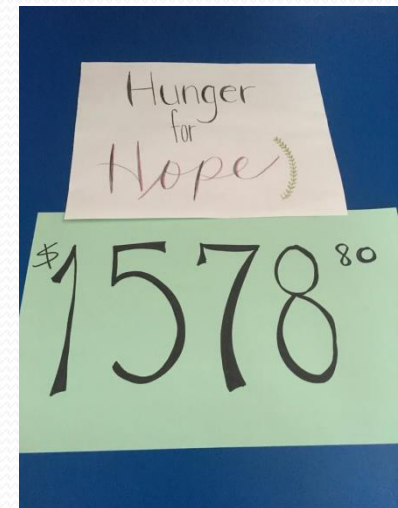

By taking action, we make a difference in our global community

- Change the World Club
 - Meets once a week
 - Offers lots of fun activities

Hunger for Hope

- Overnight event at the school. (Once a year)
- Raises money for global charities such as
 - Free the Children and Me to We

By taking action, we make a difference in our local community

- Cookies for the Homeless
 - Benefitted our local people in Downtown Victoria

Cram the Cruiser

- 4th Year for CMS
- Benefitting families that work with Burnside Gorge Community Association

Survival Socks

- With help from the Open Door Charity, supplies are given to local people living on the streets of downtown Victoria.

Cancer Fun Run and Team JACK

- Every year we support a local Cancer related charity.
 - Cops for Cancer
 - Team JACK (Journey Against Cancer in Kids)
 - Kids Run Victoria
 - Terry Fox

Thanks for your support

By getting involved... we better both our global community and our local community.

Thanks to:

- Staff
- Parents
- The Board
