# The G–Suite Experience at GVSD

**How is this transforming  
learning in our schools?**

# Teacher Testimonials

---

“One of the most exciting parts of the new curriculum is **personalizing learning**. Helping students understand what kind of learners they are and what their needs are so **they can make choices about their learning** and empower them to use their voice. G–Suite for education facilitates this kind of student learning”.

– Grade 4/5 teacher

“G–Suite for education provides a platform where **all students can be heard**, students have the **opportunity to learn from each other**, and it creates more time in person to **connect and build relationships**”.

– Grade 10 teacher

# Teacher Testimonials

---

“Good teachers can’t be replaced by technology. What technology does is allows teachers to spend more time focussing on their learners and **building those relationships.**”

– Alice Keeler

Teacher, Author, Speaker

# Evidence in GVSD

- 87% of students have district G–Suite accounts (Gr. 4–12)
- Approximately 5200 Chromebooks school/district purchased
- Read & Write App that supports all readers and writers
- Supports for teachers
  - 388 support visits by our Tech for Learning Team in 2017/18
  - 750 teachers attended the Tech for Learning Summit from 2015–17

# Supporting the use of G–Suite for Education

---

- **Why we support the use of G–Suite as an ITL department**

# Security & Personal Information

- FOIPPA security requirements
- Google's position on security
- Definition of personal information
- Students own their own personal information

**FOIPPA section 30**

## Personal information & Ownership

# Privacy and Accommodations

- **Privacy & Consent**
- **Privacy safeguards that have been put in place**
- **Offering student accommodations for G Site**
