700	our child is in grade 7 French immersion since Kimdergarten and dances with Ballet Victoria in accelerated classes 9hrs/week she lives 15walk away from classes so commute after school to home and ballet is balanced, which is why I bought our condo in this location. We live on the quiet side of Fairfield near the Beacon Hill park away from busy streets. We want her to attend Oak Bay in 2020 for grade 9 for French diploma and the strong dance program there. The commute is safer as it avoids crossing the high traffic streets where beacon Hill Park connects to the water and goes along into Foul Bay Rd, or straight down Richardson by bicycle connecting to Foul Bay Rd.	11/20/2018 10:55 AM
