

PRINCIPALSHIP OPPORTUNITIES FOR THE 2019-2020 SCHOOL YEAR Competition # 19-100

The Greater Victoria School District is seeking dynamic leaders with proven records of exemplary teaching and administration. Short-listed candidates will be interviewed for the **District Eligible Administrator Pool (DEAP)**. Successful candidates selected for the DEAP will be assigned to specific schools depending upon available vacancies and the suitability of the candidates.

Positions in the DEAP are currently available for the following levels:

- **Elementary**
- **Secondary**

Documented qualifications must include:

1. Master's degree or current enrolment
2. BC College of Teachers' or Ministry of Education certification
3. Five years exemplary teaching experience
4. Significant educational administration and/or leadership experiences

Candidates must demonstrate leadership in the following areas:

- Implementing Ministry, District and School goals while establishing a culture of staff professional development directly related to student learning and achievement
- Nurturing each student's learning experiences and well-being within a safe, responsive and inclusive learning community
- Implementing innovative practices that lead to student success focusing on literacy and numeracy
- Utilizing a variety of effective decision-making processes that build consensus, commitment, and collaboration
- Fostering team building, a sense of one learning community, and a culture of continuous learning within an inclusive learning environment
- Advocating for public schools and strong community connections

Educators who are interested in these leadership opportunities in the Greater Victoria School District are invited to submit an application package as per attached Principal Application [check list](#).
