Re: Greater Victoria Crossing Guard Program

Dear Mayor Helps and Councillors:

At its meeting held on June 24, 2019, the Board of Education of School District No. 61 (Greater Victoria) approved a motion to direct the Board Chair to write relevant funders to advocate for the maintenance of school crossing guard funding.

The Greater Victoria School District would like to acknowledge the contribution that the City of Victoria has made to the Greater Victoria Crossing Guard Association (GVCGA) in support of its dedicated efforts to provide safe travel routes for students and members of our community. The safety of our students is paramount and we consider the work of the GVCGA essential to safe transit to and from school each day.

The provision of trained safety workers at key intersections throughout the region supports pedestrian traffic at times of day when roadways are most congested. The service is particularly valuable for families with young children who are at risk when navigating high traffic intersections. The work of the GVCGA provides a degree of safety that supports more families in choosing active transportation to and from school.

The Greater Victoria School District recognizes and supports the ongoing efforts of our municipalities to assess and improve the safety of travel routes in our communities and trust that the City of Victoria will continue to consider the important work of crossing guards in keeping our communities safe for all. We encourage you to consider participating in the establishment of a
