RE: Climate Action Strikes Planned for September 27, 2019

DATE: September 25, 2019

As you are aware, Climate Action Strikes have been taking place globally and include student rallies planned for September 27, 2019 in Victoria and other locations.

Should parents decide to permit their child to attend the Climate Action Strike on Friday, September 27:

- Parents/guardians of elementary or middle school-aged children are advised to speak directly with teachers/principals/vice-principals or the office, provide a permission note and personally pick up their child on Friday.
- Parents/guardians of secondary –aged children, provide a permission note to teachers of classes they will be absent from on Friday. Once shown to all the teachers, the student must then submit the note to the main office.

The Greater Victoria School District wishes to recognize and acknowledge the Esquimalt and Songhees Nations, on whose traditional territories, we live, we learn, and we do our work.
