### Victoria High School Enrolment Projection

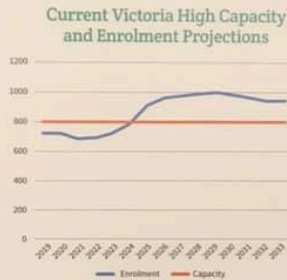

## Population Growth & Enrollment Projections

### Victoria High School: Planning for the Future

## Enrolment

The current student enrolment at Victoria High is approximately 727 students.

The new capital project will increase capacity by 200 seats, which will accommodate growing enrolment in the future.

\*The projections do not include International Student enrolment. International Student enrolment can be adjusted year by year, school by school.

Pitting Students Versus Housing

NO ONE WINS

## Students versus Housing

### Consultation

- June 2018 meeting
- Caledonia was already decided before budget was even known

### Information

- Due diligence
- Trust in the process & entities involved
- Confidence

# Conclusion

---

*We are seeking:*

- Future thinking leadership
- Responsible land use decisions that considers student needs FIRST
- A cohesive vision & plan for Vic High and it's land use
