KINDERGARTEN

2020/2021 School Supply List English & French Immersion

Due to an accumulation of school supplies in the Kindergarten classrooms we would like to use our supplies and offer you an alternate to purchasing school supplies at your local store for your son/daughter entering Kindergarten this fall. This cost will be less expensive than purchasing the supplies.

We are requesting \$25/per child for school supplies this 2020/2021 school year. When you arrive in September you will receive an instruction sheet for online payments or you can pay by cash or check through the school office.

While teachers prefer this choice, this is an Optional Program. If you prefer to purchase your school supplies the item list is below.
