2018/2019 Annual Budget Presentation

April 12, 2018

Operating, Special Purpose and Capital Funds

School districts manage financial resources in three funds:

- **Operating Fund**
 - Where the main operating expenditures of a school district are recorded
- **Special Purpose Funds**
 - Report the expenditures for funding provided for a specific purpose; spending is restricted. Examples of special purpose funds include CommunityLINK, Provincial Resource Programs and the Annual Facility Grant.
- **Capital Fund**
 - Holds the capital assets of the District; land, buildings, equipment and vehicles. Five year capital plan budgets are approved by Boards.

Sources of Operating Revenue

- The majority of school district revenue comes from provincial grants through the Ministry of Education's funding allocation system.
- School districts have local revenues from rental of facilities, interest revenue on short-term deposits, international students and continuing education.
