MEMORANDUM

TO: The Allied Specialists' Association

FROM: C. B. Symons, Secretary-Treasurer

RE: **JOB SHARING**

During the course of negotiations related to the Collective Agreement for the period January 1, 1985 to June 30, 1986 an understanding was reached with respect to an amendment to Regulation 4115.4 concerning Job Sharing. The intent of the change in the regulation would be to permit employees who take off time for job sharing purposes to be entitled to the same benefits as those employees who participate in job sharing by way of changing their assignments from full-time to part-time.

This understanding is separate from, and does not form a part of the Collective Agreement.

LETTER OF UNDERSTANDING

BETWEEN: Board of School Trustees of School District No. 61 (Greater Victoria)

AND: Allied Specialists' Association

RE: STAFFING PROCEDURES

The intent of this Letter of Understanding is to clarify for both parties the procedures to be used when an ASA member is granted a leave of absence or a reduced assignment. A reduced assignment may be requested to provide time for a member to be the President of the Association, to allow a member to undertake a part-time Secondment or to accommodate other personal needs. Those leaves entitled pursuant to the Employment Standards Act are not included in this undertaking.

The parties agree to review the efficiency of these procedures as necessary.

1. The member submits in writing to Human Resource Services a request for a leave of absence or a reduced assignment for a specified term. This is generally done in the spring of the year in preparation for the following school year.
2. If approved, Human Resources will post the part-time vacancy and fill it on a temporary basis.
3. When a member wants to return from a leave of absence or reduced assignment, the member submits such request in writing to Human Resources Services. Forty-five (45) days notice is required for January 31 or June 30, depending on the specified term indicated in the original request. The member returning from a leave of absence or reduced assignment can request to be reinstated to the previously held FTE or up to their full entitlement: that being the highest continuing FTE held by that member.
4. If the result of reinstating a member's FTE entitlement has an impact on other members with continuing status (i.e. more FTE entitlement than FTE available), the available FTE will be allocated and the lay off provision in Article 13 will be utilized.

OFFERS OF NEW AND/OR ADDITIONAL EMPLOYMENT**

The parties recognize that, from time to time, there may be need for short-term employment on a casual basis. Such employment may be for periods of time for which a temporary contract is not appropriate or for replacement of absence employees.

The Board does not, hereby, undertake to provide replacement employees in all cases where an employee is absent.

1. Rate of Pay:

A Specialist on call shall be paid 1/189 of their category classification and experience or at Category S3, Increment 0, which ever is the greater amount, for each full day worked. 2. Seniority

A Specialist on Call shall not accrue seniority for casual call-out work. A Specialist on Call will accrue seniority for work done on a temporary contract.

When additional employment is available and when the District intends to offer a contract of employment, the following will apply.

1. Offer of a Continuing or Temporary Contract

Continuing or temporary contracts shall be first offered, in order of qualifications and seniority, to ASA members who currently hold continuing contracts. If no continuing contract ASA member accepts the contract then it shall be offered to a temporary contract member in order

of qualifications and seniority when not in conflict with a current assignment.

2. Status at the end of a Temporary Contract.

Non-Qualified Members; Short Term Contract Employees

At the end of the term of a temporary contract, an ASA member who is not on a continuing contract ceases to be employed by the District and ceases to be a member of the ASA, except when the member is also on the SOC list in which case the ASA member will continue on the SOC list.
