APPENDIX A

DEFINITIONS

The following definitions apply to the Agreement:

- "Adaptations" are teaching and assessment strategies especially designed to accommodate a student's needs so he or she can achieve the learning outcomes of the subject or course and to demonstrate mastery of concepts. Essentially, adaptations are "best practice" in teaching. A student working on learning outcomes of any grade or course level may be supported through use of adaptations.
- "Adult Dogwood" means an adult high school diploma that is the British Columbia Adult Graduation Diploma (BCAGD) for adult learners (18 and older) who want to take courses in order to complete high school and obtain their adult high school diploma. Students must obtain twenty credits for completing specified courses to obtain this diploma.
- "BC Public School" or "BC Public School(s)" means all public schools in British Columbia providing kindergarten to grade 12 education, but does not include BC Independent Schools or First Nation Schools.
- **"Behaviour Support Plan"** is a strengths-based plan that assists students in developing skills to decrease challenging behaviours and increase positive behaviours. The plan may include teaching, improved communication, building relationships and other interventions.
- "Child in Care" means a First Nation child for whom the Director of Child Welfare is the sole guardian, and the Public Guardian and Trustee manages the child's estate.
- "Dogwood Certificate or Diploma" means the British Columbia Certificate of Graduation that is awarded by the Minister to a student upon successful completion of the provincial graduation requirements, as set out in the provincial Graduation Program and, for greater clarity, does not include an Adult Dogwood. Students must obtain 80 credits, including 52 course credits from required courses to obtain this diploma.
- "Evergreen (School Completion) Certificate" is a school leaving certificate intended to celebrate success in learning that is not recognized in a Certificate of Graduation (Dogwood Diploma). It is used to recognize the accomplishments of students with special needs and an Individual Education Plan, who have met the goals of their education program, other than graduation (and not all students with special needs should be in an Evergreen Certificate Program). The Evergreen Certificate is not a graduation credential; students who receive an Evergreen have not graduated. The Evergreen represents the completion of personal learning goals but does not represent graduation.
- "First Nation Student Rate" means the education costs for a First Nation Student attending a BC Public School in a school district, as calculated annually by the Ministry in consultation with FNESC and Canada (formerly the "First Nations Billing Rate").

- "First Nation Student" means a student who is ordinarily resident on a reserve of the First Nation in British Columbia and is eligible to be on the Nominal Roll.
- "Guardian" means, in respect of a student:
 - the person legally entitled to custody of the student; or
 - the person who usually has the care and control of the student;
- "Individual Education Plan (IEP)" is a written document that identifies student strengths and areas for growth, educational goals, those responsible for assisting the student in completing those goals, timelines for completion, and methods for assessing the attainment of goals. Goals for all students will be developed with appropriate and high expectations for achievement.
- "Individual Learning Plan (ILP)" is an education plan developed by the School-Based Team for a student who does not meet the criteria for an IEP but is considered to be a Vulnerable Student. An ILP could include a Behavioral Support Plan.
- "Informed Consent" refers to the provision of approval or assent, particularly and especially after thoughtful consideration, and after receiving all relevant information that is not unreasonably withheld.
- "Intellectual Property" means the protection of Indigenous traditional knowledge, culture and cultural expression and the rights to this are owned and protected by the Nation, Knowledge Keepers and not that of any organization.
- "Minister" means the Minister of Education (BC).
- "Ministry" means the Ministry of Education (BC).
- "Modifications" means instructional and assessment-related decisions made to support a student's educational needs that consist of individualized learning goals and outcomes which are different than learning outcomes of a course or subject. Modifications should be considered for those students whose special needs are such that they are unable to access the curriculum (i.e., students with limited awareness of their surroundings, students with fragile mental/physical health, students medically and cognitively/multiply challenged).
- "Nominal Roll" means the annual census of eligible students ordinarily living on-reserve and attending elementary/middle/secondary school as of September 30th.
- "Operating Grants Manual" means the provincial manual, as amended from time to time, that sets out the provincial funding formula that comprises a student basic allocation plus supplementary grants to determine school district allocations.
- "Ordinarily resident on-reserve" means that the student usually lives at a civic address on reserve, is a child in joint custody who lives on reserve most of the time, or is staying on reserve and has no usual home elsewhere. Students continue to be considered ordinarily resident on reserve if they return to live on reserve with their parents, guardians or maintainers during the year, even if they live elsewhere while attending school or working at a summer job. (In this context, reserves are deemed to include all land set aside by the federal government for the use

and occupancy of an Indian band, along with all other Crown lands which are recognized by Canada as settlement lands of the Indian band of which the student is a resident.)

- "Parent" means, in respect of a student:
 - the guardian of the person of the student;
 - the person legally entitled to custody of the student; or
 - the person who usually has the care and responsibility for the student;
- "School" or School(s)" means and includes any school operated by the Board.
- "School Act" means the British Columbia School Act, RSBC 1996, Chapter 412.
- "School District" or "District" means the area constituted under the School Act as School District #61.
- "School Year" means the period beginning on July 1 and ending on June 30 the following year.
- "Targeted Indigenous Education Funding" means the funding provided to the School District by the Ministry of Education targeted for school age students of Indigenous ancestry participating in Indigenous Education Programs and Services offered by public schools, which must be spent on the provision of these programs and services.
- "Truth and Reconciliation Commission of Canada" (TRC) The TRC is a component of the Indian Residential Schools Settlement Agreement. Its mandate is to inform all Canadians about what happened in Indian Residential Schools (IRS) and to articulate calls to action to guide and inspire Indigenous Peoples and Canadians in a process of reconciliation and renewed relationships that are based on mutual understanding and respect.
- "Tuition Fees" means the Tuition Funding per student received from Indigenous Services Canada by the Nation, which the Nation pays to the Board for the purchase of education services for students in the School District at the rate set out by the Ministry of Education in its fiscal framework for a given School Year.
- "Tuition Funding" means the Tuition Funding received by the Nation from Indigenous Services Canada for the education of Nation Students in the School District who are on the Nominal Roll, which is invoiced for by the Board as per the Nation Student Rates established by the Ministry annually and as determined by the snapshot date of September 30th.
- **"UNDRIP"** (United Nations Declaration on the Rights of Indigenous Peoples) is an international document adopted by the United Nations on September 13, 2007, to enshrine (according to Article 43) the rights that "constitute the minimum standards for the survival, dignity and wellbeing of the Indigenous peoples of the world."

Article 14:

Indigenous peoples have the right to establish and control their educational systems and
institutions providing education in their own languages, in a manner appropriate to their
cultural methods of teaching and learning.

- 2. Indigenous individuals, particularly children, have the right to all levels and forms of education of the State without discrimination.
- States shall, in conjunction with Indigenous peoples, take effective measures, in order for Indigenous individuals, particularly children, including those living outside their communities, to have access, when possible, to an education in their own culture and provided in their own language.

Article 15:

- 1. Indigenous peoples have the right to the dignity and diversity of their cultures, traditions, histories and aspirations which shall be appropriately reflected in education and public information.
- States shall take effective measures, in consultation and cooperation with the Indigenous
 peoples concerned, to combat prejudice and eliminate discrimination and to promote
 tolerance, understanding and good relations among Indigenous peoples and all other
 segments of society.

"Vulnerable Student" means a student who has been identified as finding learning more challenging based on one or more of the following factors: not meeting learning outcomes, significant absence from school, not transitioning to the next grade, failing courses, behaviour and/or mental health challenges, under suspension, not at grade level or is a child in care.
