

Victoria Hospice's proposal for potential new site

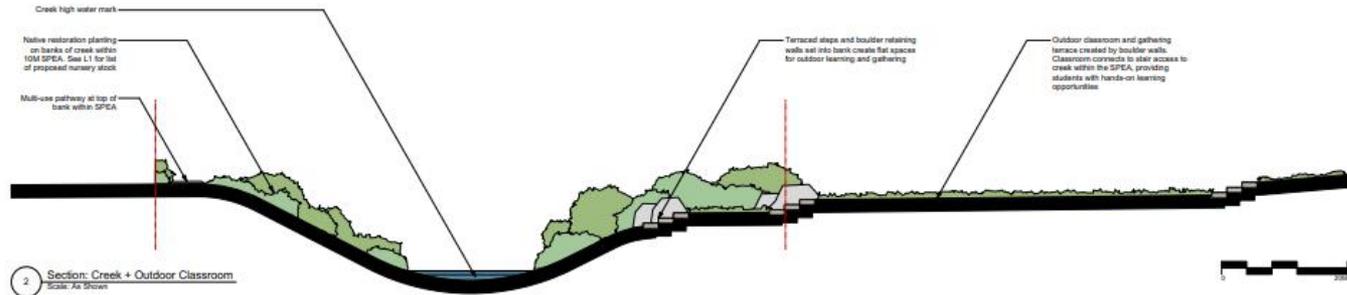

A presentation to the
Greater Victoria School Board
Feb 28, 2022

Committed to restoring Bowker Creek

Meeting the Blueprint objectives

Opportunity to bring community together

- Victoria Hospice and Bowker Creek are both essential to the health and well-being of our community.
- We're committed to the vital restoration of the creek and the watershed.
- This riparian area habitat creation will bring the community together, including the students and area residents, with a natural environment to enjoy and learn.
