Employee and Family Assistance Program (EFAP)

Homewood Health is our Employee and Family Assistance Program (EFAP) provider. They are a trusted Canadian company and are available 24 hours a day, 7 days a week, 365 days a year.

Employees and their immediate family members can access a variety of services from Counselling, Crisis Support, Life Smart Coaching, and online resources. You are guaranteed confidentiality within the limits of the law and their services are free of charge to you. Below is a short description of services they offer:

Professional Counselling

Homewood Health offers a supportive, confidential, and caring environment and will provide you with counselling for any challenge including family, depression, marital, life transitions/change, relationships, grief/bereavement, addictions, stress, anxiety, other personal issue). Counselling is available in person, by phone, by video or online.

Online Resources

Access Homeweb anytime for e-Learning, interactive tools, health and wellness assessments, and a library of health, life balance, and workplace articles.

Life Smart Coaching

Receive coaching support for a variety of life, balance and health issues or even get extra support to better manage your career. Lifesmart Coaching is available by phone and you can access support from Nutrition and Smoking Cessation to Financial, Legal, Pre-Retirement and Career Planning.
