

# Greater Victoria School District Accessibility Survey

We want to know the specific barriers people with disabilities and/or accessibility needs face in the Greater Victoria School District (GVSD). We also want to learn about accessibility features that are working well. Please complete this survey to share your experiences. For each question, please select the response that best represents your perspective on the experience of a student with accessibility needs in the Greater Victoria School District. The survey takes approximately 10 minutes to complete.

Your feedback will be shared with the GVSD Accessibility Advisory Group (stakeholders) and the District Accessibility Working Group (staff). It will inform our district plan and guide district work in implementing this plan.

We will make every effort to protect privacy but can't guarantee total anonymity if you include personal information. We are collecting this information to help us identify barriers to GVSD services. Section 26(c) of the Freedom of Information and Protection of Privacy Act permits this collection.

**Please provide your feedback on or before January 31, 2024.**
