

Greater Victoria School District Accessibility Plan Feedback

The Greater Victoria School District's (GVSD's) Accessibility Plan provides a framework to identify, remove, and prevent barriers to accessibility within our district. You can view the Accessibility Plan here: <https://www.sd61.bc.ca/our-district/sd-61-accessibility-act/>

We want to know your thoughts on the plan and your suggestions for future additions or changes. The information you provide will be shared with the members of the Accessibility Advisory Group and the District Accessibility Working Group, who are involved in the review and updating of the GVSD's Accessibility Plan. All feedback will be considered during future updates of the Accessibility Plan and during ongoing work to make our district more accessible.

We will make every effort to protect privacy but can't guarantee total anonymity if you include personal information. We are collecting this information to help us identify barriers to GVSD services. Section 26(c) of the Freedom of Information and Protection of Privacy Act permits this collection.
