This clause shall not apply to those discussions that are of an operational nature and do not involve disciplinary action.

### **13.03 Copies of Disciplinary Warnings**

Whenever an employee is warned in a manner indicating that dismissal may follow if such employee fails to bring their work up to a required standard by a given date, the employee shall, within five (5) days thereafter, be given written particulars of such warning and a copy sent to the Union.

## **ARTICLE 15: SENIORITY**

### **15.01 Definition**

Such periods shall not be considered as a break in continuous service for purposes of fringe benefit entitlement.

### **15.04 Temporary and Spareboard Seniority**

Temporary and spareboard employees shall neither exercise nor accumulate seniority except as set out below:

- (i) Those temporary and spareboard employees who are subsequently appointed to regular employment shall, after completion of the normal probationary period, have their seniority back-dated to their commencement of employment. It is further understood that this clause is in no way applicable to service for the purpose of benefit entitlement except vacation entitlement, which upon becoming a regular employee shall be based on seniority date. It is understood a regular employee's vacation accrual shall not include vacation paid during spareboard employment;

- (ii) Spareboard employees shall be eligible to accumulate seniority from date of hire, which may only be exercised for the purpose of bidding on regular vacancies posted under Section 16.02;

- (v) Spareboard employees shall be eligible for preference over non-employees when filling temporary appointments, as defined in Section 1.05, provided the spareboard employee has the qualifications, experience, skills and ability to perform the work in question. Nothing in this Section is intended to require that employees hired by the Board must first have worked in the spareboard before being hired;
- (vi) When a spareboard employee is placed in a regular position on a temporary basis, as defined in Section 1.05, for a period of longer than three (3) months, the spareboard employee shall occupy the position which has the lowest number of hours per shift in that classification and school. Temporary employees on the spareboard list will remain on this list until such a time as they are recalled to a Capital or Maintenance position. It is expected that those employees wishing to either change schools, or change cleaning assignments within a school, will apply through the regular posting process. If the senior qualified applicant is already assigned to the school where the vacancy exists, they will have the option of choosing the vacated area and the next senior qualified applicant will be appointed to the school and assigned to their vacated cleaning assignment. After the six (6) month period, the Union may request an evaluation review of the pay rate so established. ### **Re: Work Experience Placement Agreement**

---

The Employer and the Union agree that the provision of work experience for secondary students or other participants of recognized training or job re-entry programs is in the best interest of the community as a whole and the individuals in particular. The purpose of this Letter of Understanding is to set in place the framework within which work experience placements shall operate.

The following terms and conditions must be met in order for a work experience placement to be acceptable:

1. For the purpose of this agreement, work experience placements are identified as follows:
  - (a) A work experience placement is designed to introduce individuals to specific work experiences and skills by placing the individual in a working environment in order that the individual can experience first hand the demands of the workplace, jobs and skills they will face when entering the work force;
  - (b) Such placement shall not exceed twenty (20) working days without mutual agreement between the parties.
2. (a) Before entering into a Work Experience Placement Agreement, the Union will receive written notification of the intent to place an individual on work experience.

## **LETTER OF UNDERSTANDING # 2 – Continued**

- (b) The Work Experience Placement Agreement shall be signed by the Employer, the Union, the employee trainer, and the individual placement. The Union will receive a copy.
  - (c) If concerns arise which cannot be resolved by the Employer and the Union, such placement may be terminated.
3. General occupational health and safety training shall be given to an individual prior to a Work Experience placement.
  4. Prior to the start of a placement the individual will be given an orientation by a union representative as to the role of the union in the workplace.
  5. On the first day of the work experience placement the individual will be given a site specific occupational health and safety orientation before any hands on tasks are performed.
  6. It is the joint responsibility of the School District and the Union to ensure that the individual has all appropriate safety equipment needed for that work site as required by Worksafe.
  7. It is the responsibility of the School District and/or the Ministry of Education to provide liability insurance coverage for any individual being placed in a work experience placement.
  8. The individual on a work experience placement must be supervised at all times by the employee trainer. At no time will an individual on a work experience placement be allowed to perform hands on work unsupervised by the employee trainer.
  9. Where the workplace being considered for a work experience placement operates on a two (2) or three (3) shift basis, (Monday to Friday), every effort will be made to place the individual on the first (day) shift. Where this criterion cannot be met the Union must be notified in advance of any variation.
  10. Wherever possible, individuals will not be placed in a work area where confidentiality of records must be maintained. Where exclusion from such area is not possible individuals must be given instruction concerning the protection of confidentiality.

**LETTER OF UNDERSTANDING # 2 – Continued**

11. Regular meetings between the Union and the Employer will be held to discuss the status of work experience placements.

**Re: Harassment – Informal Mediation Process**

---

WHEREAS the parties are desirous of establishing an Informal Mediation Process to resolve harassment complaints between members of CUPE Local 382.

AND WHERE this process is established for the sole purpose of serving members of Local 382 in their workplace relationships with each other.

### **IT IS AGREED:**

The parties endorse a commitment to fostering and promoting an environment free of harassment and agree to cooperate in attempting to resolve conflicts. The parties recognize that harassment is a complaint-driven process initiated by an employee and, unlike a grievance; the Union does not control the complaint or its filing.

The complainant, if comfortable, may choose first to speak to or correspond directly with the alleged harasser to express his/her feelings about the situation. The informal process may be employed at the request of the complainant and, when the manager, upon assessing the seriousness of the allegations, determines there is a reasonable probability of resolving the concerns, may proceed with the informal resolution process. Based on the identifiable concerns, the manager will consider the number of complaints, the degree of conflict among the complainant(s) and the respondent, and whether or not it is a one-time issue or a repetitive problem. In the event the informal resolution process is desirable, the following process shall be followed:

1. The Resolution Process shall be completely off the record and will not form any part of the record.
2. Only the complainant, respondent, one (1) Union Officer, and the manager shall be present at the meetings.

**LETTER OF UNDERSTANDING # 3 - Continued**

3. Should a resolution be reached between the complainant and the respondent during this informal resolution process, it shall be written up and signed by both. Only the complainant and the respondent shall have copies for the resolution and they shall be used only for the purpose of establishing that a resolution was reached. No discipline would be imposed on the respondent.

Where a respondent has acknowledged responsibility, the manager may advise the respondent of the expectations of behaviour in a neutral, circumspect memo. Only the respondent shall retain a copy of the memo.

That the memo was sent can be referred to as proof that the respondent had been advised about the standard of conduct.

In the event that no resolution is achievable through the informal process or, if during the informal process, there are indications of the possibility of serious misconduct, the complainant is entitled to lodge a formal, written complaint.

## **APPENDIX “A”**

### **Provincial Framework Agreement (“Framework”)**

**between**

**BC Public School Employers' Association ("BCPSEA")**

**and**

**The K-12 Presidents' Council and Support Staff Unions ("the Unions")**

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

#### **1. Term**

July 1, 2022 to June 30, 2025

#### **2. Wages Increases**

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

#### **3. Wage Increase Retroactivity**

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.

- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

#### **4. COLA Adjustment**

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

#### **5. Public Sector Wage Increases**

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:

- a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
- b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

- 3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
- 4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
- 5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

**6. Local Table Bargaining Money**

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

## **7. Provincial Labour Management Committee**

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

## **8. Support Staff Education Committee (SSEC)**

### **Structure:**

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

### **Mandate:**

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;
- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

**Terms of Reference:**

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

**Funding:**

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

**9. Safety in the Workplace**

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

**10. Provincial Joint Health and Safety Taskforce**

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4)

members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

## **11. Job Evaluation**

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.

- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020-

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.
