

## French Advisory Committee

November 27, 2024

3:45pm- 5:15pm

### Agenda

- Goals for French Language
  - 1) **Oral Language:**

Support the continued development of students' oral comprehension, production and interaction skills through teacher action research, professional development sessions, diagnostic assessment, and digital and print resources.
  - 2) **Teacher and Student Retention**

Support teacher and student retention in French language programs through professional development for early career teachers, professional language coursework, cross-level teacher collaboration, community events, and by following up on specific recommendations from student attrition data collected in 2023-24.
